

## OVER SIX MILES OF CONCRETE TO BE VOTED UPON

**Town Would Pay One-Third  
of Cost On Two State  
Trunk Highways**

The town of Plover, with a half dozen miles of concrete roads already to its credit, is planning a concrete highway construction program for 1923, which if adopted will surpass any road building project ever undertaken in Portage county.

With sentiment crystallized in favor of concrete, residents of the town are not only prepared to adopt a six and one-half mile concrete road building program, but to offer to meet one-third of the total cost of it, establishing a new precedent in the interests of good highways.

Voters of the town of Plover last week petitioned the town clerk to call a special meeting for the purpose of voting on a resolution which sets forth the proposed highway construction plans. Here is what the town hopes to accomplish next year:

**The Concrete Program**  
Build three miles of 18-foot concrete on No. 10 commencing at the end of the present concrete and extending to the town line, near the Moore barn.  
Build one mile of 18 foot concrete on No. 60 commencing at the intersection of the Soo line's Portage branch at Plover village and extend it in a westerly direction to the Green Bay & Western crossing, replacing an old macadam road. This is the Wisconsin Rapids road.

Build two and one-half miles of 18 foot concrete on No. 60 commencing at the west end of the present improved road at Meehan station and extending west to the south boundary of the town of Plover, at the town of Grant line. This is also the Wisconsin Rapids road.

The resolution, which outlines the above road program, specifies that the town of Plover contribute one-third of the cost of the proposed concrete roads provided the county and state pay the remaining two-thirds. In each case the concrete roads are to take the place of proposed gravel roads.

**Many Sign Petition**  
Although the signatures of only 12 freeholders were required to call the special meeting of the town, 42 were secured and it is being freely predicted that the highway program will carry by a big majority. Town Clerk W. H. Calkins has called the special meeting for May 27. Under the law the clerk must call it not less than three weeks nor more than four weeks from the date of filing the petition. It is understood that not a person approached for endorsement of the road program refused to sign the papers which were filed with Mr. Calkins the same day they were circulated.

Although the town of Plover is in a position to finance its share of the cost, its liberal offer in agreeing to meet one-third of the expense, provided the resolution is carried at the town meeting, is considered an expression of the strong sentiment which exists among its taxpayers for good highways. No offer of this kind has ever been made in a Portage county town before. When a trunk line is built through a town it is customary for the town to meet only a small percentage of the cost.

**Them Up to County Board**  
If the six and one-half mile concrete road program is endorsed at the town meeting on the 27th, the next necessary step will be submission of the plans to the county board of supervisors. A petition will be prepared asking for the adoption of the plans at the fall meeting of the supervisors. This would take care of all of the formalities in time to undertake the road work by early in 1923. In view of the heavy share of the cost which Plover intends to take care of, residents of the town are confident that the county board will not reject their proposal. Several supervisors with whom the plans have already been talked over informally have expressed their intention of voting in favor of it. If the entire program is undertaken next year it will give the town of Plover a grand total of 13 miles of concrete highways.

**Concrete is Preferred**  
Residents of Meehan and vicinity and those in the south section of the town of Plover have made it known to Chairman D. H. Parks during the past several weeks that they would rather have highway improvement work which was planned for this year, deferred until 1923 and then put in concrete instead of clay and gravel. In view of this sentiment, which resulted in the petitions going

## RUSH BUILDING WORK

**Moose Club House Going Up Rapidly on the South Side**

A force of 25 men is now rushing construction work on the new Moose Home, the delayed supply of reinforcing iron arriving the first of this week, enabling Foreman August Miller to considerably enlarge his crew. With favorable weather conditions the concrete work on the first floor will be completed within a few days, followed by the raising of the frame for the first story.

## BODY IN A MANHOLE ONLY THAT OF A CAT

**Fears That Form Was That of an Infant Set at Rest By Investigation**

Fears that a decomposed body discovered in the mud in a manhole at Clark and South Third streets this morning was that of an infant were set at rest at 3 o'clock this afternoon when the body was officially pronounced that of a cat.

A city workman removing mud from the manhole ran upon the body and immediately pronounced it that of a child. A number of business men in that vicinity viewed the finding and opinions varied, although most of them expressed the belief that it was either the remains of a cat or a small dog. What was later found to be fur was seen on a portion of the trunk. No head or skull was discernible.

The finding prompted an investigation by District Attorney B. J. Carpenter and this afternoon a local doctor was called upon to view the body. The form was pronounced that of a cat.

## TO LAY CORNERSTONE SUNDAY AFTERNOON

**General Dictator of Moose Order to Help Local Moose Lodge in Ceremonies**

The cornerstone of the new club house of Stevens Point lodge No. 1572, Loyal Order of Moose, will be laid next Sunday afternoon. A telegram received today from George N. Ward, general dictator of the Moose Order, of Mooseheart, Ill., stated he will be present. Mr. Ward will be the principal speaker. Other features incident to the ceremonies are being arranged.

## RETURN FROM LONG TRIP

Dr. and Mrs. F. E. Walbridge have returned from a three months' trip in the west and southwest, where they were guests of relatives and friends. Two months were spent in southern California and a trip also made to San Ysidro, Mexico, and a month spent in Seattle.

out road work on the highways listed is being temporarily held up until decision is reached at the special town meeting. If for any reason the proposal should fail to carry, the clay and gravel program planned for this year can still be carried out on Road 60 west from Meehan. No opposition is expected however, as the Meehan people and those to the south are strongly in favor of concrete, while those at McDill and vicinity who already have concrete roads, are said to be equally favorable to the plans.

## Village to Bridge Gap

In selecting the one mile stretch on No. 60 from Plover village west, those drawing up the petition designated that the concrete should begin at the Portage tracks as this is the boundary of the town of Plover and the village of Plover. There would still remain a short stretch of macadam between No. 10 in the village and the beginning of the new road, but it is understood that the village will take steps to put in concrete there if the town puts in concrete from the tracks west.

The proposed two and one-half miles of concrete farther west on No. 60 from Meehan to the Plover town line, would take the concrete to within one and one-half miles of the Wood county line, all of the remaining distance being in the town of Grant. This is the stretch which it was planned to gravel this year as an extension of improvements planned from Meehan west, before the proposal to lay concrete was considered.

## TWO ELECTED TO SUPERVISE RURAL SCHOOLS

**Blenna Hamilton and Loretta Springer Chosen to County Positions**

Two new rural supervising teachers for Portage county were elected by the committee on common schools at a meeting at the court house late Tuesday afternoon.

They are Miss Blenna Hamilton of Hancock, Wis., and Miss Loretta Springer of Stevens Point, formerly of Buena Vista. They were chosen successors to the Misses Regina H. Somers and Lucile M. Berard, present supervisors, who tendered their resignations.

## Is Normal Graduate

Miss Hamilton is at present a teacher in the city grades in Minneapolis. She is a graduate of the Hancock High school, of the county Normal training school at Wautoma and of the State Normal here. She has attended a summer session at the Columbia Teachers' college in New York City and has taught in rural schools and in grades at Almond, Wisconsin Rapids, Sioux Falls, S. D. and Minneapolis for nine years. Miss Hamilton was elected at a salary of \$135 per month for 10 months.

## Teaching at Keene

Miss Springer is at present teacher of the rural school at Keene, Portage county. She is a graduate of the Rural department of the State Normal here and this summer will complete a course of study in the primary department and will also enroll in the new course for supervisors. She has had seven years of teaching experience, five in rural schools and two in the grades at Almond. Miss Springer will receive \$125 per month.

## Present Supervisors Leave

Miss Somers has tendered her resignation as supervising teacher to accept a teaching position at Big Bend, Waushara county. Miss Berard in leaving intends to continue her education. Both will complete their duties early in June and the Misses Hamilton and Springer will assume their new duties in August.

## Six Recommended

Members of the committee on common schools are Lyman Precourt of Buena Vista, Martin Hoffman of Stockton and John Marchel of Hull. The two supervisors elected were chosen from a list of six names recommended by County Superintendent Alice M. Gordon.

## AUTO TURNS TURTLE MAN BADLY INJURED

**Peter Landowski in Hospital Here**

**Following Upset on The Wausau Road**

Peter Landowski, a local young man, was badly injured this afternoon when a touring car driven by August Jakusz, also of this city, in which he was seated, left the road and turned turtle near the Langenberg brick yard on the Wausau road. Heavy damage resulted to the machine. Jakusz escaped with only minor injuries.

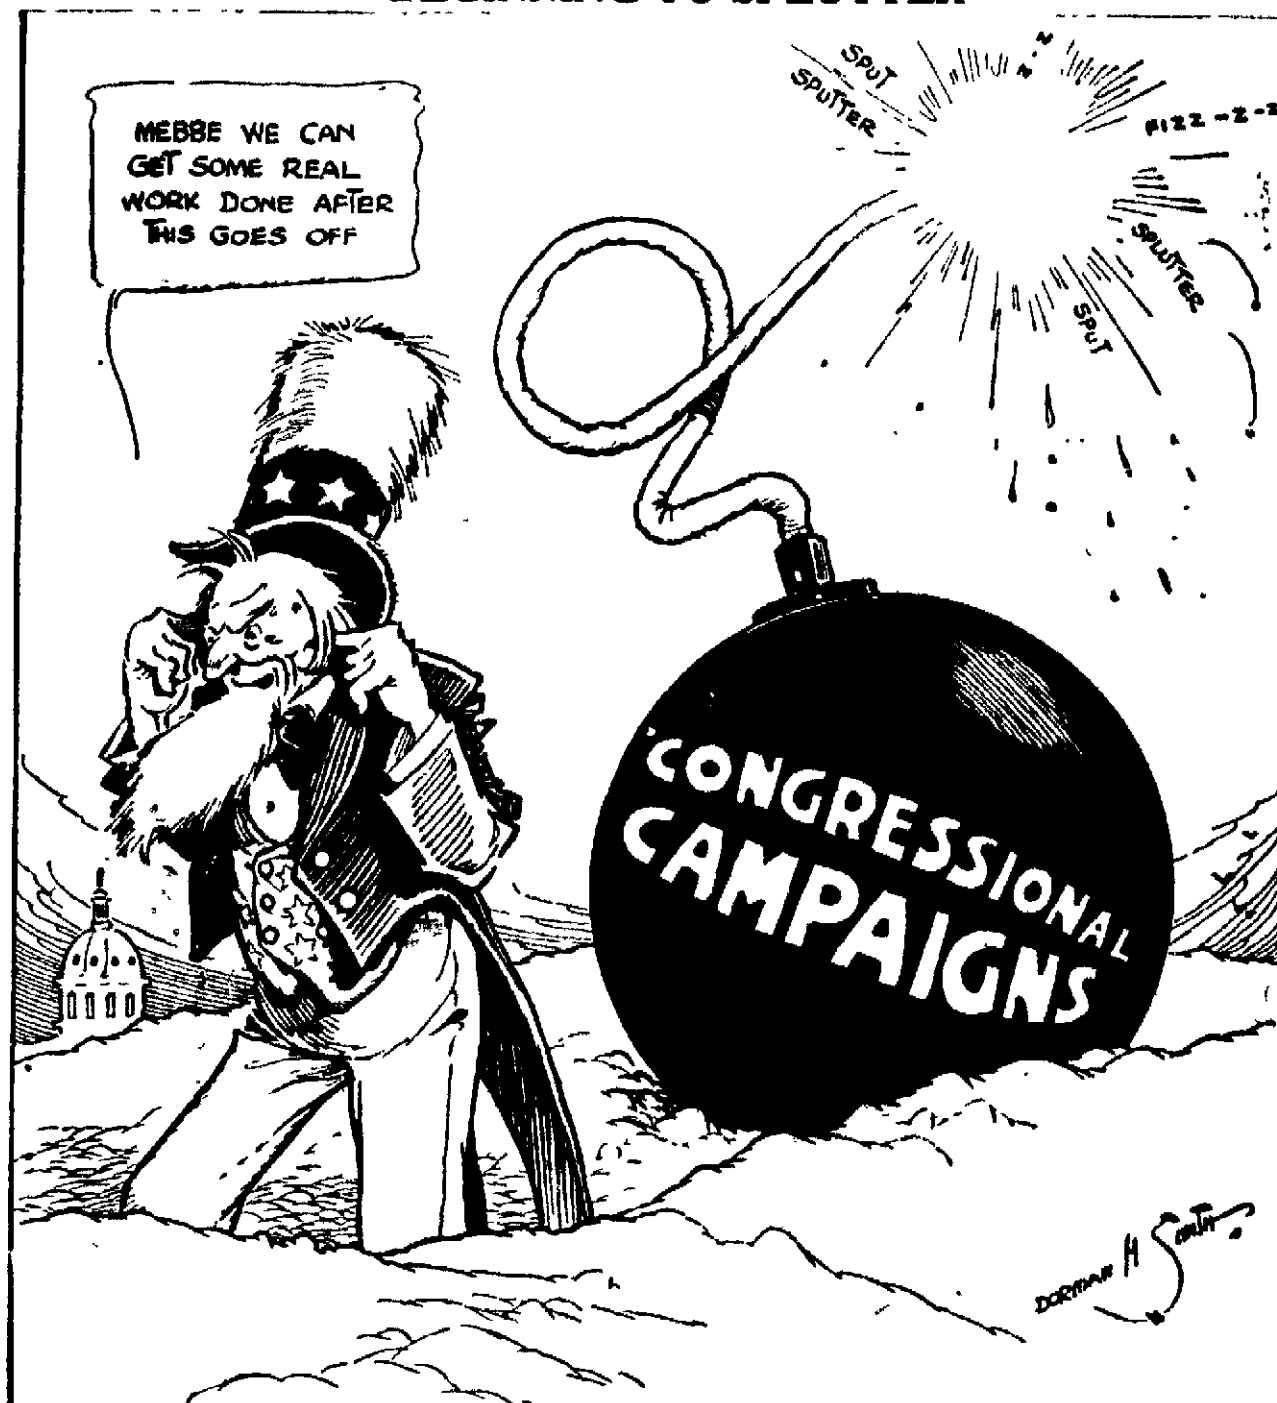

Landowski was removed to St. Michael's hospital, where it was learned that he had suffered a dislocated left shoulder and also a severe injury to his left hip. Just how badly the hip was injured had not been determined.

The two men left Stevens Point to drive to a farm north of the city where relatives of Jakusz reside. According to Landowski, who was interviewed at the hospital, the machine suddenly plunged from the road, turned turtle and landed in the ditch when turning out for another car going in the opposite direction. Landowski resides at 116 North avenue.

## COMPANION OF FAMOUS WRITER'S WIFE GUEST

AT F. M. GLENNON HOME  
Miss Anna Taylor, for the past several years a companion of Mrs. Emerson Hough, wife of the noted author, arrived here this morning from Elgin, Ill. for a visit with Mrs. Frank M. Glennon on Main street. Mr. and Mrs. Hough and Miss Taylor expect to spend the summer months in Colorado, the Yellowstone Park region and go to California later in the season.

## BEGINNING TO SPLUTTER

## MEDICAL MEN MEET IN ANNUAL SESSION

**Ninth Councillor Association Members Gather Here Today to Hold Clinics**

The annual meeting of central Wisconsin physicians, members of the Ninth Councillor Medical association, was held in Stevens Point this afternoon and meetings were to be held at the public library this evening.

Forty doctors from Wausau, Wisconsin Rapids, Wausau, Marshfield, and local physicians, attended the gatherings, which consisted principally of clinics. The annual election of officers was to be held this evening. Dr. V. A. Mason of Marshfield is now president and Dr. Joseph F. Smith vice-president of the association.

A clinic on fractures, conducted by Dr. C. W. Hopkins of Chicago, chief surgeon of the Chicago and North Western railroad, was the chief matter before the meeting this afternoon. At 6 o'clock the doctors were to dine at the K. C. hall, at a supper served by the women of St. Stephen's congregation.

The program this evening included clinics on the "Treatment of the Disturbances of the Heart in Childhood" by Dr. J. D. Lindores of Stevens Point, "Cross Eyes in Childhood" by Dr. W. G. Merrill of Wisconsin Rapids, "Tumors of the Jaw" by Dr. R. P. Potter and Dr. Carl Daeger of Marshfield, "Injuries to the Pelvis Complicated by Multiple Fractures and Dislocations, and Results," by Dr. C. W. Hopkins.

## SENATORIAL ASPIRANTS MAY SPEND FREELY

**Need Not File a Statement About It Either, Ruling of the Attorney General**

Washington, D. C., May 10.—Candidates for the United States senate may spend unlimited sums of money campaigning in nominations for the primaries or in the final elections next November, without filing a statement of campaign receipts and expenditures, with the senate, according to an opinion of Attorney General Daugherty, made public today.

The attorney general held that the decision of the supreme court in the Newberry case had involved the provisions of the corrupt practices act, so far as it concerned senatorial candidates.

Mrs. E. A. MacNair left here this morning for Aberdeen, S. Dak., to visit several weeks with her mother and other relatives in that city.

## Fireman Paul Jaffke Is Awarded \$12,000 Against Soo Railway

Madison, Wis., May 9.—Paul Jaffke, Fond du Lac fireman who was badly burned and crippled in a Soo Line wreck near Neenah August 30, 1920, today was awarded \$12,500 damages by the Wisconsin supreme court, which affirmed an award of the lower court for this amount. The railroad claimed the award was excessive.

## AUTO TURNS TURTLE AND GOES IN DITCH THREE ESCAPE UNHURT

**Well Known Wisconsin Rapids Men in Accident on Rapids Road While Returning Home from Stevens Point**

Three Wisconsin Rapids men narrowly escaped death at 5 o'clock Monday afternoon on the Stevens Point-Meehan-Wisconsin Rapids road when the T. W. Brazeau touring car turned turtle near the Gross farm near Wisconsin Rapids as they were returning from a trip to this city.

Mr. Brazeau was at the wheel and he was attempting to prevent a collision with a Green Bay & Western freight train from Biron when the car skidded and turned turtle in the ditch at the side of the road. All occupants of the car, Mr. Brazeau, W. F. Thiele, chief engineer for the Consolidated company and Tom Utgaard of the Consolidated engineering department, escaped without serious injuries. Utgaard suffered bruises about his face which were painful but not serious.

According to Mr. Thiele, the men were traveling between 25 and 30 miles an hour when they noticed a Green Bay switch engine and freight cars coming south on the switch track. Mr. Brazeau applied the brakes and was attempting to turn into a rye field alongside the road to prevent a collision at the crossing, when one wheel skidded, turning the car about and causing it to turn turtle into the ditch.

Members of the train crew told the occupants of the car that the collision could not have been avoided in any other manner.

Mr. Brazeau, attorney for the Consolidated company, had been to Stevens Point representing his client in the case of Clementina Zblewski vs. the Consolidated company, the Jackson Milling company and the Oneida Paper company, which was being tried in circuit court before Judge B. B. Park. Messrs. Thiele and Utgaard were witnesses in the case and were returning home with Mr. Brazeau.

## START GRADING TODAY FOR NEW MILL ROAD

**According to Present Plans Concrete for Job Will be Mixed in Stevens Point**

Work was started this morning on the grading of the road between the Whiting-Plover Paper mill and highway 10 in Plover, preparatory to the laying of concrete on the mile stretch.

The grading is being done under the direction of Bernard Galecki of Plover, who has the contract for this work. Five teams were employed today. The road has been closed, and will remain closed until the job is completed.

The grading has been started on the hill just east of the paper mill, and will continue east. The hill is to be cut down about four feet, and thus made longer and less steep. One of the improvements on the hill is to be the construction of a concrete ornamental bridge over the stream running to the filtering plant of the mill.

Concrete is to be poured on the road within a few days, the laying of the road to follow closely the work of grading. Concrete, according to present plans of the Cast Stone Construction company which has the cement job, is to be mixed at a central station in Stevens Point, and will be taken to the road in auto trucks. The construction company has many concrete paving jobs in Stevens Point this summer and concrete for this and the paving work here will be mixed at one station, according to these plans.

It is hoped to have the work done and the road ready for use by July 1.

## ROASTS CONGREGATION IT COSTS HIM \$15,000

**Pastor at Racine Held Liable For Slander by Jury in Circuit Court**

Racine, Wis., May 10.—Because the Rev. John Plette, pastor of St. Rose's Catholic church of this city, called members of the church "liars and hypocrites" and intimated that funds had been misappropriated, he must pay \$15,000 damages.

This verdict was returned by the jury in the slander suit filed against the priest by two trustees of the church. The sealed verdict was returned yesterday and opened by Judge Belden today.

## JUNE 1923 SET FOR HOMECOMING HELD OVER YEAR

**Admiral Albert A. Grant Had Hoped to Attend Reunion This Summer**

The Stevens Point "Homecoming" which had been planned for this summer or fall, has been postponed for one year.

The completion of the new Hotel Whiting early enough this summer to have the homecoming during school vacation months has been found impossible and because it was hoped to have the homecoming in the vacation months so former residents of the city could bring their families with them on their return to the city, caused the postponement. It is now believed that the homecoming will be held in June, 1923.

**Many Planned Visit**  
That many former residents of the city would have been here this fall, and will no doubt be here next year when the celebration is held, is shown in a number of letters which have been received by local people from old friends now living in other cities, all of whom promised to come for the reunion.

Among the most notable of those who had planned to come to the city for the gathering this summer was Admiral Albert W. Grant of the United States navy, who is now located in Philadelphia, Pa. In a letter to Mrs. G. B. Clark, who had written to Admiral Grant telling him of the homecoming and a proposal to have a reunion of the "Old White School association," Admiral Grant enthusiastically replied that he would be present, and would assist in anyway he was able in the meantime.

**The Admiral's Letter**  
In his letter, Admiral Grant said: "Thank you for your letter of the 20th regarding a reunion of the White School students this coming August. Yes! I will be with you and will assist in any way I am able to do in the meantime."

"Your letter mentions me as an 'honored' guest. No! I must be a full fledged member of the 'Old White School' organization. Make Mr. Maloney, Mr. Rait or Mr. Atwell honor or honored guests. I want to go to Stevens Point as one of the homecomers, to see those of my friends still remaining, for I realize many have gone, among the number my brother Crosby."

"As soon as you can do so please give me an outline of your tentative program, mentioning dates particularly. It was 49 years ago this coming June 1st that I left home for the Naval academy. I don't believe you can recall Stevens Point and all of our old associates of fifty years ago as well as I can. I date back to the old 'Northern Light', the 'Phelps House' and 'Wabkanish'. Can you beat it? Marietta Newton was my first teacher."

"What is the name of the new hotel and where located—Henry mentions it? Have you a member of the association known as the historian? With very best wishes and hoping you will call upon me for any service, I remain  
"Very sincerely,  
"ALBERT W. GRANT."

## Former Principals

The "Mr. Maloney" Admiral Grant refers to is a former principal of the old "White School," now deceased. "Mr. Atwell," is Frank Atwell, also a principal of the school when Admiral Grant was a student. Mr. Atwell is now dead. "Mr. Rait" was also a principal of the school during the admiral's school days, and is now residing at Minneapolis. "Henry" is Henry Green, president of the Old White School association, and a real dent of Chicago.

The reunion of the association had now been postponed because of the postponement of the homecoming. It is certain that if the homecoming is held next year, the White School association reunion will be held at the same time.

## COOPERATION IS URGED BETWEEN COUNTY NURSE AND THE RURAL TEACHER

Miss Mead, who has supervision of all county nurses in the state, and who was formerly county nurse at Merrill, spent Tuesday in the city, coming to address seniors in the Rural department at the State Normal on the subject of cooperation between the rural teacher and the county nurse. Miss Mead was one of the first to be employed as a county nurse in Wisconsin.

## STEVENS POINT GAZETTE

WEDNESDAY, MAY 10, 1922

Journal Printing Company, Publisher  
Entered at the postoffice at Stevens  
Point, Wis., as second class mail  
matter.

## TERMS OF SUBSCRIPTION

For weekly edition of the Gazette  
and Journal. An 18-page volume, out-  
side the city of Stevens Point, \$2 a  
year; six months, \$1.25; three months,  
\$.75. In the city of Stevens Point  
and outside Portage county, \$2.50 a  
year; six months, \$1.50; three months,  
\$.75. All subscriptions payable in ad-  
vance and will be stopped at expiration  
of term for which subscription is paid.

## Analyzing Mr. Cline's Charges

Mr. Walter F. Cline, 1133 South  
Michigan avenue, in a letter to the  
Journal backs up the complaint of a  
writer of an anonymous letter to the  
editor regarding farmers coming to  
the city for employment. Mr. Cline  
even suggests that the farmers be  
made to go back to their farms and  
says city people spend dollars here  
against pennies spent by farmers.

Even if it were desirable, it would  
be impossible to keep farmers from  
seeking work in the city if they felt  
so inclined. Furthermore it is nat-  
ural for them, when their farming  
operations have left them a deficit  
rather than a balance at the end of a  
hard season's work, to want to try  
to find something to do to help them  
get through the winter months. It is  
to be regretted that, owing to poor  
crops and low prices, many farmers  
found it necessary to leave their farms  
and take work elsewhere, but we fail  
to see any good reason for criticizing  
them for so doing.

The charge of Mr. Cline that farm-  
ers spend pennies in Stevens Point to  
dollars for the city people is one that  
is not borne out by the facts. We  
will admit that the farmers of Port-  
age county have not had the money  
to spend during the past year that  
they had in preceding years, nor have  
the farmers in other sections of the  
country. And it is significant that  
since the buying power of the farm-  
ers has been at a low ebb, the coun-  
try has gone through a serious period  
of depression. Economists agree that  
this weakening of the farmers' buy-  
ing power was the primary cause of this  
depression. The whole country has  
suffered because the farmer hasn't  
been able to buy as he did before. Stev-  
ens Point is no exception to the rule,  
as every business man knows.

Stevens Point and Portage county is,  
in fact, one community. The interests  
of the city and county are largely  
mutual, and what is good for one is  
good for both. City people want the  
farmers to do well, and of course the  
people of the county outside the city  
want the city to prosper. There should  
be no petty animosities between city  
and county, but the spirit of harmony  
and mutual helpfulness should pre-  
vail. Such statements as were made  
by Mr. Cline do not, we feel sure,  
reflect the sentiments of the great  
mass of people of the city, laboring  
men included.

## Representatives of the People

It was urged in behalf of Senator  
Harry S. New of Indiana in his con-  
test for renomination that "the rep-  
resented President Harding." The  
successful candidate, Albert J. Beveridge,  
is not unfriendly to the president, but  
as a candidate for office he did not  
claim to represent any but the people.  
And so he was nominated as he should  
have been, if that point alone is to  
be considered.

For the constitution of the United  
States, and the spirit of our govern-  
ment, do not provide for representa-  
tives in either house of congress from  
the White House. No congressman  
can have a higher master than the  
people. If Senator New was to rep-  
resent President Harding, the people  
of Indiana might well ask who was to  
represent them. Between the execu-  
tive and legislative branch of the gov-  
ernment there should be cooperation,  
but there need not be subservience on  
the part of the legislative to the exe-  
cutive branch. We want men in house  
and senate of independent thought,  
men who represent the people and  
who do not hesitate to follow their  
own opinion of what the people want.  
Between a candidate claiming to rep-  
resent the president, and one who  
takes his orders directly from his peo-  
ple, it should not be hard to choose.

The same rule applies in Wisconsin.  
We would no more favor a candidate  
for the assembly or the state senate  
who says he represents the governor  
than we would favor a candidate for  
United States senator who says he rep-  
resents the president. We now have  
three candidates for the assembly in  
this county, all of whom we know to  
be qualified, and we will be satisfied  
with the nomination and election of  
any of the three who will declare him-  
self the servant of the people of this  
county only and will not take orders  
from elsewhere. And for the same  
reason that we would have supported

Beveridge in Indiana, we do not favor  
the nomination of any legislative can-  
didate, for either assembly or senate,  
who says he will represent the gov-  
ernor, whether that governor be maine  
or Morgan. We are entitled to our  
own member, one who is his own  
man and his constituents' man, and we  
prefer such a man every time, though  
we may not always agree with him,  
to the representative of the executive  
branch of the government. Portage  
county, being entitled to its own as-  
semblyman, should firmly resolve, we  
believe, that it is going to have one.

## Improving Conditions

Crews are being increased by 200  
men in all on the Soo repair track  
and in the plant of the Strange mill.  
Other employers are expected to in-  
crease their forces. The opening work  
on new buildings and on the street will  
mean a greater demand for men. The  
outlook is good.

Stevens Point has not suffered se-  
verely thus far, one good reason be-  
ing that it did not go ahead so fast  
that the change from extraordinary to  
normal conditions did not mean so  
great a contrast as it did at some  
points. Our growth was moderate all  
the time. It continues so.

And it can continue with everyone  
helping. How can I help my town? is  
a question every man should ask him-  
self and answer according to his own  
opportunities. We can find many who  
can show where the other fellow can  
help. That sort of inquiry is worth-  
less. Where can I help? is the only  
question which can be answered with  
effect. Every man can do a little to-  
ward the advance of the community.

We don't think Stevens Point will  
be a large city. It is better to be a  
big little town. We don't want 25,000  
people here until we can provide  
homes and jobs for them. A steady  
improvement each year, a gain in the  
capacity to employ and house, accom-  
panied by a corresponding gain in  
population, counts most. Jobs for  
every man at good pay, good homes  
with all improvements in, parks and  
playgrounds, schools and churches, the  
things that mean a clean town and a  
happy town, are what we should strive  
for. And we believe people of Stevens  
Point have good reason to be satisfied  
with what has been accomplished and  
what is going to be done in the early  
future.

SOY BEAN STORIES  
AS TOLD BY BRIGGS

Wonder Crop Brings Big Results For  
Northern Farmers Says  
Madison Expert

Seed soy beans to increase the value  
of your farm. There is no better leg-  
ume for light, worn-out soils, than  
the soy bean, according to G. E.  
Briggs, soy bean expert of the College  
of Agriculture. He states that no  
farmer should be contented without  
a legume on his farm.

"It was three years ago that Abe  
Butler bought a farm in Bayfield coun-  
ty," relates Mr. Briggs. "The land  
was in very poor condition, and cov-  
ered with quack grass. He was met  
at the train by a number of sympa-  
thetic farmers, and was told that he  
had bought the poorest farm in the  
community. The farmers told the new  
owner that they would share their  
gardens with him so that he would not  
starve.

"Abe Butler did not know much  
about farming, but he knew one thing  
which many farmers don't know, and  
that there was a county agent in the  
county. He was willing to learn. He  
asked the county agent what to do  
to make the land productive.

"Soy beans were advised by the  
county agent, and proved excellent.  
The result was that because of the  
good yield last fall, he is now getting  
a cream check of \$100 a month. The  
farm that was once called the poor  
farm of the community, and had been  
sold many times, is now a good pro-  
ductive farm because of a legume  
crop.

"Lester Ferguson, a neighbor of Abe  
Butler saw the results, and planted  
nine acres last year. They were so  
satisfactory that he expects to plant  
thirty acres this spring. He states  
that soy beans cured in cocks as  
soy hay, when fed to cows, horses,  
and brood sows, never gave better  
results.

"Last spring soy beans this spring,"  
urges Mr. Briggs. "Plant at the rate  
of 25 to 35 bushels an acre when  
broadcasting. This same amount will  
plant three acres when planted in  
rows."

## GORDON SCORES DANCE

Pastime Attacked as an Evil in Ad-  
dresses by Stevens Pointers

L. A. Gordon of this city, a past  
secretary of state at Madison, at-  
tacked the dance as an evil in an  
address at the Rio Lutheran church  
a few days ago. In commenting on  
his talk the Portage Register Demo-  
crat says:

## PIONEER IS REMOVED

Archie McMillan Dies at His Home in  
Wisconsin Rapids

Archie McMillan, pioneer settler in  
central Wisconsin, and for 51 years  
a resident of Wisconsin Rapids, died  
at his home there Saturday following  
a long illness. He was 80 years old.  
He is survived by a brother, George  
B. McMillan of Wisconsin Rapids and  
by two daughters, Miss Mary Bene  
McMillan, instructor of mathematics  
at River Falls Normal, and Miss An-  
na McMillan, a member of the fac-  
ulty of Stout Institute at Menomonee.  
In early days the deceased resided in  
Waushara county. He had been a  
member of the Masonic order for  
more than 50 years.

"MEDIUM" TYPE HOGS  
WILL NOT BE RAISED

"Big-Type" Preferred Unless Pack-  
ers Pay Farmers Substan-  
tial Premium

Madison, Wis., May 8.—Wisconsin  
farmers will raise the "big-type"  
hog for meat marketing, until the  
packers agree to pay a substantial  
premium for the "medium" type of  
hog.

This statement, made here, recently  
by William M. McFadden of the  
American Poland-China Record asso-  
ciation is upheld by Wisconsin hog  
producers, the results of an investi-  
gation by F. B. Morrison of the  
agricultural staff of the University  
of Wisconsin showed today.

The big-type hog is more profitable  
for production purposes.

The packers declare that at market  
weights of from 200 to 225 pounds  
the big-type hog does not carry as  
much fat, and consequently, will not  
pay them as much in returns as the  
"medium" hog, which carries the  
same amount of weight on a smaller  
skeleton.

The producers contention is that it  
costs less to produce a 225-pound  
hog of the big-type than the same  
weight animal of the medium type.

"The last fifty pounds of gain by  
the smaller type of pig is composed  
more largely of fat and contains less  
water and less protein than in the  
case of the big-type pig," Morrison  
declared. "Fat is highly concen-  
trated, containing two and one-fourth  
times as much energy as an equal  
weight of carbohydrate or protein.  
Consequently, it requires more grain  
to put this last fifty pounds on a me-  
dium type pig than it does on the  
big-type pig, which is less mature  
and not so fat at market weight."

RECOMMEND REPAIRS  
FOR BOY SCOUT CAMP

Program of Improvement Totalling  
\$500 Outlined by Association  
Committee

The camp committee of the Wiscon-  
sin Valley Boy Scout Camping asso-  
ciation met at Sunset lake Saturday  
afternoon, inspected the grounds and  
buildings, and recommended repairs  
totalling \$500, to put it in first class  
shape for the coming season.

Members present were W. F. Kel-  
logg, J. B. Nash (representing Judge  
J. W. Conway) and Scout Executive E.  
H. Justice of Wisconsin Rapids, and  
J. V. Berens (representing Harold J.  
Weeks), Dr. W. P. Mailer, and Scout  
Executive A. C. Jones of Stevens Point.

The repairs and renovations recom-  
mended include the construction of  
an engine house and wood shed, to  
house the lighting plant of the camp,  
painting the mess hall and buildings,  
repairing boats, overhauling the camp  
truck, repairing tents, tent platforms,  
swimming pier, construction of a new  
back porch to the mess hall, securing  
a new ice box and building an incin-  
erator to dispose of garbage.

Work on the program outlined will  
be started just as soon as it is au-  
thorized by the executive committees  
representing the two councils.

The Wisconsin Rapids camping per-  
iod was set from July 16 to August  
27. Stevens Point has the camp from  
June 18 to July 16. Two weeks of the  
Wisconsin Rapids period will be given  
to the use of Rapids girls.

## ARNOTT 11, LANARK 9

Winners Take Game in Ninth by  
Breaking Tie With Two Runs

Arnett, May 8.—The Arnett base-  
ball team defeated the Lanark nine  
here Sunday afternoon, by a score of  
11 to 9.

Lanark held a 6 to 0 lead until the  
fourth inning when Arnett scored  
twice. Lanark made another tally in  
that frame. Arnett put seven tallies  
across in the sixth frame, giving Ar-  
nett a 9 to 7 lead. Lanark made a  
score in the seventh and another in  
the eighth, tying the score at 9 all.  
Arnett won the game in the ninth  
with two scores.

FARMERS BEING URGED  
TO RAISE THEIR FEED  
BUYING IT TOO COSTLY

Bulletin Warns Them They Cannot  
Make Money from Livestock  
Unless Land Is Used  
for Production

Madison, Wis., May 8.—Farmers  
in upper Wisconsin and particularly  
the new settlers in that district, can-  
not make money from their live-  
stock as long as they have to im-  
port their winter feed, the state Uni-  
versity agricultural extension serv-  
ice warned in a bulletin today.

There are 100,000 head of cattle  
more than can be fed on the forage  
grown on every acre planted this  
summer in the seventeen principal  
northern counties, the bulletin de-  
clared. These 17 counties last year  
imported \$5,000,000 worth of feed for  
livestock.

This is an average of four full-  
grown animals to the farm that must  
be fed through the winter on import-  
ed hay and grain.

The only remedy for this situation  
is to clear more land, the bulletin de-  
clares. More producing land is the  
only thing that will keep the farmer  
from starving, it avers.

Twenty-three thousand farms are  
located in these 17 counties. Since  
the war 5,200 new families have set-  
tled in this section.

The bulletin continues by advocat-  
ing that roughage must be grown by  
the farms to avoid importation of  
the costly hay, and suggests that  
the growing of buckwheat, oats,  
peas, corn and soybeans will help  
greatly. More silos, blooded live-  
stock, chickens and potatoes will help  
the farmers of this section out of  
the predicament of paying out most  
of their receipts to keep the farms  
going.

This part of the state is now so  
over-stocked, however, that it will  
take each farmer clearing four acres  
of land a year, three years to catch  
up with the present stock popula-  
tion.

COUNTY SALE PRICES  
HIGHEST IN SECTION

Local Guernsey Figures Top Those  
Paid at Both Marshfield and  
Waupaca

County Agent W. W. Clark on Fri-  
day at Marshfield attended the third  
and last of a series of Guernsey sales  
held by the Guernsey Breeders' asso-  
ciation of Waupaca, Portage and Wood  
counties.

Forty-eight head were consigned at  
the sale, the top price being \$320 paid  
for a daughter of "Governor of the  
Chene" and consigned by the Mod-  
gett farms of Marshfield. "Governor  
of the Chene" was perhaps the best  
known bull on the island of Guern-  
sey, but is now dead.

The attendance at the sale was fair-  
ly large, and local men secured most  
of the animals offered. The prices  
ranged on a scale below those paid at  
the Amherst sale on Thursday. Al-  
though exact figures are not yet avail-  
able, it is believed that the females  
at the Portage county sale brought  
higher prices than at Waupaca or  
Marshfield.

Two animals at the Amherst sale  
were sold for higher prices than paid  
at either the Waupaca or Marshfield  
auction.

The high price at the Portage coun-  
ty sale, \$415, was paid for "Tallus,"  
a cow bred by G. E. Larsen of Am-  
herst Junction and consigned by L. E.  
Gordon, Jr., of Nelsonville. The ani-  
mal has a record of over 638 pounds  
of butter fat in a

# COUNTY MEETING OF REPUBLICANS ON 18TH OF MAY

## H. J. Week Temporary Chairman and Delegates Are to Be Named

With the selection of H. J. Week as temporary chairman, the Portage County Republican club was getting under way in Stevens Point today preparatory to holding the Portage County Citizens Republican meeting, which has been called for Thursday, May 18.

The organization meeting on the 18th will name the county's delegates and alternates, 11 each, to the Citizens State Republican conference in Milwaukee on June 1. At the state convention each congressional district will select its membership to the permanent committee, the present state conference committee being a temporary organization for the purpose of organizing the state conference. Representatives at the state convention will number 988 with an equal number of alternates.

### Field Organizer Here

Chellis C. Wayland, Waukesha, field organizer, is spending several days in Stevens Point in the interests of next week's local meeting and is assisting local leaders in their plans. All counties of the state are now under temporary organization and with the exception of Portage county, will hold their meetings on Wednesday of this week.

The Portage county meeting was Tuesday morning postponed to Thursday, May 18 in view of conflicting dates when it was learned that four other meetings of a public character are to be held in Stevens Point on Wednesday. Workers for the Northern Lakes and Parks Project will meet tomorrow, the board of education meets, a general baseball meeting has been called and a community children's week program participated in by several churches will also be held.

### Senator Skormo to Speak

The delegates chosen in each county will go to the state convention instructed to permit the greatest freedom of expression. Mr. Wayland said today. The meeting will be open to all who are in sympathy with its interests and purposes, he said. Arrangements are being made to get Senator George B. Skormo to come to Stevens Point to address the session. He will give an explanation of the party policy, explaining the organization and what it aims to accomplish. It is hoped that a large number of interested persons and others from the county outside of the city will be in attendance. Mr. Wayland will remain in Stevens Point for several days and will also return for next week's county meeting.

# CHARGE FONDY MEN WITH PIGEON THEFT

## Plead Not Guilty to Charge of Taking Birds Belonging to A. E. Flugaur

W. M. Nott and W. C. Hills, Fond du Lac, were brought before Judge Owen in county court Monday to answer to a charge of having stolen 15 pigeons from the loft of A. E. Flugaur on Sunday.

Hills and Nott pleaded not guilty to the charge and the case was adjourned to May 11, at 2 p. m.

Bail of \$200 for their appearance on that date, was furnished by James Lamb.

# TO INDUSTRIAL SCHOOL

## George Helmuth Committed to State Institution

George Helmuth, 12, was committed to the Wisconsin industrial school at Waukesha by Judge W. F. Owen in juvenile court Monday afternoon, for complicity in an attempt by himself and two companions to rob a chicken coop on South Church street on Friday night. Helmuth must remain in the industrial school until he is 15 years of age.

The other two boys, whose names have been withheld by the authorities, were also committed to the school, but were paroled.

# MANY AUTO LICENSES

## Last Year's Mark of 320,000 State Licenses Likely to Be Passed

Madison, May 18.—Between three and four thousand applications for auto licenses are pouring into the auto license bureau of the state department daily this month.

The 255,000 mark was topped today by the large clerical force issuing and mailing out the licenses. Last year's mark of 320,000 is expected to be passed long before the end of the year.

# CITY BRIEFS

## WEDNESDAY

Mrs. F. G. Webb is spending a few days with former neighbors in Milwaukee.

Max Neuwald has gone to Milwaukee for a couple of weeks' business and visiting trip.

Rev. W. H. Kiernan is expected to return this evening from Green Bay, where he visited a couple of days with his parents.

Miss Esther Hoose of Minneapolis who visited a couple of weeks at the F. B. Roe home on Strong's avenue, left here this morning for Indianapolis and New York City. Miss Hoose is a sister of Roger Hoose, son-in-law of Mr. and Mrs. Roe.

The members of the Child Conservation League will serve a coffee at the home of Mrs. A. Klug, 926 Main street, tomorrow afternoon. The time for serving has been extended and patrons will be welcome from 3 to 7 o'clock.

Mrs. J. F. Somers of near Amherst returned to her home last Saturday after spending three weeks at the home of her daughter, Mrs. J. J. Bona in Chicago.

Mrs. William Payne of Rothschild had been the guest of Mrs. W. R. Cashin, 546 Normal avenue, for several days, will return to her home today or tomorrow, accompanying her husband, who will motor here.

M. A. Bogogor of Wisconsin Rapids is spending today at the home of his niece, Mrs. George Hoppen, and among other local relatives.

## THURSDAY

Miss Lella Chandler left for Minneapolis this morning for a couple of weeks' visit at the home of her nephew, Bert Coppis.

Dr. Lyman A. Capps was down from Marshfield on Wednesday for a visit of several hours with his parents and brothers.

## FRIDAY

Mrs. C. C. Evans has returned from a couple of weeks' visit with her parents at Oak Park, Ill.

Supt. H. C. Snyder is spending the week-end on a business trip to Madison and other cities in southern Wisconsin.

Edward Finch of Milwaukee spent Thursday in the city visiting his parents, Mr. and Mrs. Henry Finch, 532 Strong's avenue.

Born to Mr. and Mrs. W. B. Angelo, Milwaukee, Thursday, May 4, a son, John Corsine. Mr. Angelo is a former local resident.

Mrs. J. V. Collins is spending the week end with her daughter, Miss Helen Collins, a member of the Fond du Lac High school faculty.

Mrs. Geo. B. Nelson and two younger children are spending the week-end at Fond du Lac, guests of Mrs. Nelson's parents, Bishop and Mrs. R. H. Weller.

Prof. F. J. Steckel will spend the week end at Menomonie, Wis., going there more especially to visit his mother, who has been in poor health for several months.

Raymond E. Newby, A. G. Olson and Floyd Jones left for Milwaukee on a morning train and will drive back Saturday with three cars for the Newby Buick agency.

Otto Christenson, a student at Minnesota state university came down from Minneapolis this afternoon to spend a couple of days with his parents, Mr. and Mrs. O. H. Christenson.

Miss Jessie Marshall, who was called here by the recent death of her father, James B. Marshall, returned to Chicago today. Miss Marshall plans on coming up in the summer for a several weeks' visit.

Music for the Junior Prom to be given by High school students at Merrill this evening will be furnished by the Original Florida Five, a Stevens Point quintette, which drove to the northern city this afternoon.

Aug. Miller, superintendent of construction on the new Moose Home, and E. H. Flentje went to Oshkosh this afternoon to interview the manufacturers of reinforcing iron to be used in the new building. The non-arrival of this material has caused a practical cessation of construction work all this week.

John Margraf of Seattle, Wash., is a guest at the homes of his sisters, Mrs. O. A. Young and Mrs. W. B. Johnson here, while en route to New York. While in the east he will visit a brother, George Margraf, at East Orange, N. J., and will stop off in Stevens Point on his return trip home.

T. Thompson of Iola, father of Mrs. G. A. Gullikson of this city, is a patient in a Minneapolis hospital, where he recently submitted to an operation. Mr. and Mrs. Gullikson and the latter's sister, Mrs. F. W. Black of Kansas City, accompanied him to Minneapolis a week ago. Mr. Gullikson returned home Thursday night, the two women remaining with their father.

## SATURDAY

Mrs. A. F. Behrendt and Mrs. O. H. Strache are spending today with friends at Fond du Lac.

Fred Kuehnast has gone to Milwaukee for a week-end visit at the home of his sister.

The Misses Eleanor Secosh and Helen Peck visited friends at New London and attended the junior prom of the High school there Friday evening.

H. G. Quandt, manager of the Electric Sales company, and Charles Santowski, salesman, attended a district meeting of Delco Light dealers at Green Bay Friday.

Marshfield Times: Mrs. V. A. Mason, Mrs. E. M. Downing and Mrs. An-

na Lathrop, have been appointed delegates to the Eighth district convention of the Women's club to be held at Stevens Point May 25 and 26.

William Dowsett, Soo line engineer who retired several years ago, has returned from a winter's visit with his son, Dr. Horace Dowsett at Woodland, Ill., and at the home of a daughter, Mrs. William Smith, Elkhart, Ind. Weather conditions in that part of the country were exceptionally mild, less than three inches of snow falling during the entire season and there were a few below zero nights.

## MONDAY

Mrs. W. R. Hearn of Fond du Lac spent Sunday with her father, Jas. P. Leonard, and brother, Jos. J. Leonard, on Plover street.

Mrs. Chas. Fischer left for Minneapolis Sunday morning to spend the summer with a daughter, Miss Esther Fischer, head of a department in one of that city's big stores. Mrs. Fischer was accompanied to Minneapolis by another daughter, Mrs. Jos. Goldstein and the latter's young son, who will visit there a few days.

Carl Zimmer was a week-end visitor among friends in Chicago.

Miss Evelyn Smith is expected home Tuesday from a several days' visit at Manitowish with her sister, Mrs. John Thiell.

Rev. N. L. Gross of St. Peter's parish of Oshkosh, visited in the city today at the home of his parents, Mr. and Mrs. Victor Gross, on Brawley street. Rev. Father Gross preached at a forty hours' devotion service at Appleton Sunday, and came here from that city. He returned to Oshkosh this afternoon.

Mrs. C. F. Mase and children, Charles, Jr., and Betty Lou, have gone to Waupaca to spend the week at the home of Mrs. Ed. Burgoyne.

Mrs. Burgoyne was formerly Miss Evelyn Mase of this city.

Mrs. E. H. Schulhof, who visited a couple of weeks at the home of her daughter, Mrs. Franz J. Krems, returned to Superior today.

Miss Sadie Bryan left here today for Savannah, Missouri, to resume her duties as superintendent in a sanatorium for cancer patients. Miss Bryan enjoyed a month's visit at the home of her brother, A. F. Bryan.

Miss Helen Gliscinski, who has been spending her spring vacation at the home of her parents at 1226 Main street, left Sunday afternoon for Chicago to resume her duties as teacher in the public schools of that city.

Mrs. Fred McAuliffe and two children arrived from Ashland this afternoon for a visit with relatives here and at Waupaca.

Mayor J. N. Welsby, has gone to Weyauwega to look after business matters for a few hours.

Geo. A. Sutherland was a week-end visitor at Minneapolis, a guest of his brother, E. M. Sutherland.

C. H. Pratt, Mr. and Mrs. Robert Scobie, Jr., and the latter's young son drove up from Plainfield this morning. Mr. Scobie boarding a train for Eau Claire, where he engaged in the insurance business. The Scobie family expect to move to Eau Claire next month.

Miss Florence Koczkowski of Polonia, who visited for several days with friends in this city, returned home Saturday afternoon and was accompanied by Miss Frances Herman, who remained for the week end.

Mrs. William McMulkin of Fond du Lac was a guest of her sister, Mrs. Ellen Carpenter, last week, returning home Saturday.

Misses Wanda Herman and Frances Kalinski have gone to Milwaukee for a visit with relatives and friends.

Mrs. Anna Federspiel, who now makes her home with a daughter, Mrs. Peter Wyland, at Merrill, came down Saturday for a stay of several weeks with another daughter, Mrs. Anna Rose. Mrs. Federspiel was born in 1824 and next August will observe her 98th birthday anniversary. Although near the century mark, she is as physically and mentally active as the average person of half her years and is able to read without the use of glasses.

## TUESDAY

Mrs. W. D. Hackney and daughter, Beatrice, have gone to Kenosha to visit their brother and uncle, William Myers.

Mrs. D. W. Stephenson and son, Argyle, of Chicago are here for a few weeks' visit at the home of Mr. and Mrs. Fred Ball, 112 Reserve street.

Mrs. Wm. Wagner of Thorp came down this morning to visit at the Dr. von Neupert home and with her son, who is a patient at St. Michael's hospital, having undergone a minor operation there this morning.

Mr. and Mrs. O. Slomowitz of Milwaukee are guests at the home of their daughter, Mrs. A. L. Shafon 310 Main street. The parents reached America only a few months ago from Russia, where they underwent many hardships because of bolshevik government control of that country.

Mrs. Ray Clark left for Fond du Lac this afternoon to attend the Catholic Women's Club state convention, which opens there tomorrow and continues until Thursday evening. Mrs. C. E. Van Hecke and possibly others expect to go down Wednesday.

Mr. and Mrs. F. A. Siedler and Mrs. Minnie Bibby and son Harold drove up to Wausau last Friday, where Mrs. Bibby and Mrs. Arthur James, the latter of Wausau, attended the concert given by Miss Geraldine Farrar. Mr. and Mrs. James and their son Wilbur drove down to Stevens Point on Sunday and visited at the Siedlers home here. Miss Gladys Siedler, who teaches at Hixton, Wis., was also home for the week-end.

# LAYMAN BARRED FROM SECURING TITLE TO HOTEL

## Man Who "Won" \$300,000 Property Is Loser By Court Decision

Chippewa Falls, Wis., May 18.—Legal right to property cannot be acquired through lottery. Circuit Judge James Wickham decided in a decision in litigation over the \$300,000 Northern hotel raffled off by the Elks club of Chippewa Falls last summer.

The forfeiture feature of the state lottery statute is unconstitutional and the state cannot be given the property. Judge Wickham held. Lotteries are in violation of criminal law and the operators of a lottery hence can be punished only by criminal penalties.

The hotel goes back to the original owners, the Chippewa Falls Hotel company, the Elks keep the money they obtained and Peter Layman, who won the hotel, gets nothing but the "back."

Peter Layman, who "won" the Chippewa Falls hotel, is a section hand residing at Junction City. He was in a "pool" which included several other persons, among them Mr. and Mrs. A. L. Voyer and two children and George Tencler of Junction City.

The Elks of Chippewa Falls had conducted a sale of tickets all over the middle west for the Elks' Mardi Gras and Historical Pageant at Chippewa Falls last summer, and each ticket bore a number entitling the holder to a chance on the hotel. The drawing took place on July 4, 1921, and Mr. Layman was declared the winner. He and Mr. Voyer subsequently made several trips to Chippewa Falls to inspect the building and make arrangements to take it over, but before any transfer was attempted the state, through Attorney General Morgan, instituted proceedings having for their main object the forfeiture of the hotel to the state on the grounds that the state laws prohibited lotteries.

The decision of Judge Wickham defeats the forfeiture move, but it also bars Mr. Layman and his associates from securing title to the property. It is very likely, however, that some way will be found to reward those who held membership in the winning pool.

# REAL SERVICE IS SEEN FOR NEW ASSOCIATION

## Selection of Ullsperger as Secretary Approved by Central Wisconsin People

The announcement of the officers of the Central Wisconsin Development Association that Prof. H. W. Ullsperger, soils expert and one of the best known men in Wisconsin, had accepted the secretaryship of the association has been hailed by the people throughout central Wisconsin with widespread approval. Professor Ullsperger accepted the responsible position, to which he is going to give his services without compensation, at a meeting held in Wisconsin Rapids on Monday.

Questionnaires are being prepared and will be mailed out to the various banking institutions in the eleven counties in the state where the new association is to function. Some vital information is being collected through these questionnaires pertaining to the financial, agricultural and other problems in these counties. When a preliminary survey of the situation is made, the new association will then announce certain features of its program for the coming year.

One of the important problems of the present day which the association is almost sure to consider and attempt to work out to a satisfactory solution is the real estate problem. It appears and has been generally known that dishonest realty agents have exploited new settlers by implied, if not positive misrepresentation of land values throughout central Wisconsin. The association feels that it has an obligation to see that real estate organizations be established and insist upon honest advertising of the lands which are on the market. Definite action is to be made regarding this matter at a later time.

# ARTICLES ARE FILED

## Baseball Association Incorporation Recorded Here

Copies of articles of incorporation of the Stevens Point Baseball association have been filed at the office of Register of Deeds Ed Larson. The articles bear the signatures of J. N. Welsby, S. H. Trainor, Meyer Hanowitz, Max Friday, Robert Kostka, Frank A. Love, M. E. Bruce, J. J. Neuberger, William D. Geo. Win Howersock and Byron J. Carpenter. The copies were registered free of charge by the register of deeds.

Copies of the articles of Kaufman's Apparel company of Stevens Point have also been filed at the register's office. The company is capitalized at \$12,000, 120 shares of par value of \$100. The incorporators are I. P. Davis, S. E. Kaufman and Lillian Kaufman, of Stevens Point.

# SOCIETY AND WOMEN'S NEWS

## Hucke-Polun

Miss Eva Polun and John Hucke were married Tuesday, May 2, at 8 p. m., at the home of the groom's mother, Mrs. K. Hucke, 1202 Water street. The double ring service was used, Rev. Walter Werth of the Friedens church officiating.

The couple were attended by Miss Olszewski and Frank Stieler. The bride wore a blue traveling suit and a hat to match. Miss Olszewski also wore a blue suit. Both Mrs. Hucke and Miss Olszewski wore corsage bouquets. Lohengrin's wedding march was played by Mrs. E. Wollenschlager.

Mr. Hucke for the past four years has been employed at the Frank Stieler farm, and the bride, for the past nine years, was employed on the same farm as housekeeper.

The couple left the evening of the ceremony for Ashland and Mercer to visit relatives and friends. On their return they will make their home with Mrs. Hucke's parents, at 355 Patch street.

## Attend Fond du Lac Meeting

Four Stevens Point women, members of the Mooseheart Legion, attended a meeting of delegates from the Mooseheart lodges of Stevens Point, Appleton, Weyauwega, Oshkosh and Fond du Lac at Fond du Lac Thursday evening. The women from here who were there were Mrs. F. A. Francis, Mrs. A. N. Durand, Mrs. A. R. Crueger and Mrs. G. J. Bessnah.

A meeting of the delegates was held in the armory building at Fond du Lac in the evening, followed by a banquet. The local people returned to Stevens Point on an early morning train.

Mrs. Bessnah went to Fond du Lac Thursday morning, and while there attended a meeting of the Fond du Lac lodge of the Ladies' Auxiliary to the Brotherhood of Railroad Trainmen. Delegates from this lodge to the national convention of the auxiliary at Toronto which is in session for two weeks starting May 9, were chosen, and Mrs. Bessnah was among those elected to make the trip.

## Iwanski-Sopa

The wedding of Louis Iwanski and Miss Anna Sopa, both residents of the town of Stockton, took place at St. Mary's church at Fancher at 9:30 o'clock Monday morning. Rev. J. Chylinski performed the ceremony.

The attendants were Frank Iwanski, a brother of the groom, and Miss Helen Sopa, a sister of the bride. Little Miss Theresa Wiesbach and Master Frank Trebitowski were ring bearers.

The bride was dressed in white charmuse with net trimming, and wore a white silk veil. She carried a shower bouquet of white carnations and sweet peas. The bridesmaid was attired in a dress of peach colored organdie, with a hat to match. She carried a bouquet of pale yellow daffodils.

Miss Wiesbach wore a pink silk messaline dress. She and Master Trebitowski carried a silk pillow bearing the wedding rings.

A reception was held today at the home of the bride's parents, Mr. and Mrs. John Sopa in Stockton, to members of 30 families.

Mr. Iwanski is a son of Mr. and Mrs. Joe Iwanski of Stockton. The newly married couple will reside on a farm in Stockton.

## Wedding at Alban

Mrs. Minnie Trebitowski was married to Peter Zieliński at St. Adalbert's church at Alban Monday a. m. Rev. F. A. Novak performed the ceremony.

The attendants were Grace Peck and Julius Zieliński, and Mary and John Zieliński.

The bride was dressed in white satin, trimmed with silver lace. Miss Peck wore white crepe de chien, with a corsage bouquet of white carnations and roses. Miss Zieliński was attired in white crepe de chien with a corsage of white carnations.

A reception was held at the home of Mr. and Mrs. John Czerwonska in Sharon, to members of 20 families. Mr. and Mrs. Czerwonska are the parents of the bride.

Mr. and Mrs. Zieliński will reside on a farm in the town of Sharon.

## Buried at Fancher

Rev. J. Chylinski, pastor of St. Mary's church at Fancher, conducted funeral services for Johanna Trebitowski, the thirteen year old daughter of Mr. and Mrs. Jacob Trzebiatowski, prominent residents of that section. Mass was offered up at 9 o'clock Saturday morning, followed by interment in the parish cemetery. Johanna, who was the oldest daughter in the family, died last Thursday. She had been ill a week with heart trouble. A peculiarly sad incident is that, on the day of her burial she had planned on coming to Stevens Point and being presented with a certificate of graduation from the eighth grade class in the school she attended.

Pallbearers were six cousins, Verona and Susie Godowski, Mary, Verona, Cecelia and Clara Trzebiatowski.

## Married in Ohio

Local friends of the groom will be interested in the announcement of the marriage of Frank N. Roberts to Eva

# CHECK TO BUILD MODERN BUNGALOW

## Early Day Homestead Soon to Be Replaced by New Home of Ten Rooms

One of Stevens Point's earliest land marks, the John Corridan homestead at the northwest corner of Franklin and North Second streets, will soon be replaced in part by a bungalow of handsome design and containing nine or ten rooms over a full basement, the new home to be owned by M. E. Check, manager of Wisconsin Advertising Agency.

Mr. Check has bought from Mike Zyka the corner lot, 45 x 120 feet, and the bungalow will be erected by Borski Bros. near the center of this land. The Zyka home which stood on the property has been cut into two parts, the upright portion being moved to a lot adjoining on the west and is now occupied by the family, while the smaller or kitchen part will be set on a new foundation a number of feet north and transformed into a neat cottage.

Furnace heat and all other modern equipment will be installed by Mr. Check.

## Insurance Banquet

The eleventh annual banquet of the Hardware Insurance companies to their employees and their wives, was held Tuesday evening at the Parish House. Following the banquet a program of musical numbers and readings was carried out, which was followed by dancing. Friends of employees attended the dance. The hall was prettily decorated.

The banquet was served to 100 persons at 6 o'clock. Following was the menu: fruit cocktail, consommé, croquettes, ripe olives, salted pecans, brook trout, spiked potatoes, turkey with dressing, molded cranberries, service potatoes, asparagus tips, giblet gravy, parkerhouse rolls, pineapple aspic salad, cheese wafers, French pastry, ice cream fleurs, coffee and mints. The meal was prepared by St. Agnes' guild of the Church of the Intercession. Mrs. Hannah Kutella was cateress.

After the dinner, the following program was carried out:

Soprano solo, "Kashmiri Song," Hone—Lillian McCallum.

Piano solo, "The Country Dance," Op. 6 No. 2 Nevin—Mama Collins.

Contralto solo, (a) "A Bowl of Roses," Clarke, (b) "A Banjo Song," Homer—Irene Scribner.

Mixed Octette, "Where the Lazy Mississippi Flows," Rollo de Freyne—Eleanor Van Hecke, Lillian Orthman, Irene Scribner, Mabel Peterson, J. W. Schindler, W. R. Johnson, B. Christianson, A. E. Anderson.

Reading, "Ole Mistis," Helen Pliska.

Soprano solo, (a) "At Dawning," Gledson, (b) "In Italy," Boyd—Eleanor Van Hecke.

Mixed Octette, "Roses of Picardy," Wood.

W. H. Smith of Chicago, of the firm of Childs and Smith architects for the new building of the insurance companies here, was an out-of-town guest at the banquet.

Miss Clara Seidler was general chairman of arrangements for the affair. Other committees consisted of: reception—Mama Collins, Caroline Maurer, Ann Benson; decorations—Doris Mason, Florence Erickson, Margaret Love; entertainment—W. R. Johnson, B. Christianson, A. E. Anderson.

## Annual Meeting Saturday

At the annual business meeting of the Woman's club next Saturday afternoon, May 13, the election of officers for the ensuing year will take place. Members are probably aware that an adopted constitution shortens the procedure considerably, the election consisting of a report by a nominating committee based on the balloting of the club at a previous meeting.

The session will be opened by a piano solo by Miss Ethel Blake. Following the report of the nominating committee the annual reports of the officers of the club will be given. After the business incidental to the closing of the year's work, a social hour will be held, in charge of a committee composed of Mesdames G. J. Ehart, F. H. Huntly, A. L. Halstead, E. J. Foster and Miss Alice Dawson.

## CATCH MAMMOTH TROUT

Joe Stroik and Charles Sorbye of Nelsonville are sharing honors for being champion trout fishermen. Stroik succeeded in landing a speckled trout which tipped the scales at two and one-half pounds while his companion landed another which weighed a little over two pounds.

# How Will Your Wife Live When You Go?

Bill and Jim married sisters. Bill was a good fellow. His wife's married life was one round of pleasure. He took her everywhere. He always sent her flowers on her birthday and anniversary. He always kissed her when leaving and coming home. He always had fine Christmas presents for the children. His wife hates his memory for she is now scrub lady in an office building and the children are working in the ten cent store.

Jim was a plodder. He took good care of his family. Out of every dollar he saved a quarter. He sometimes forgot his wedding anniversary. His wife and babies love his memory. The two boys went through college and his wife has an Essex, plays bridge, and goes to teas. They have a nice home.

Jim had life insurance, Bill had a good time. What is the moral? You can take care of the premium by a savings account in this big bank.

# STUDENT CHAMPS ARE ANNOUNCED BY MISS GORDON

## Winners of Spelling and History Contests in County Competition

Winners of the spelling, penmanship and arithmetic contests conducted in every town in Portage county during the week of April 24 to 28, with the exception of Carson, and the winners of the local history contest in the towns, have been announced at the office of County Superintendent of Schools Alice M. Gordon.

Carson will conduct its contest at a later date.

The winner in the spelling, arithmetic and penmanship contest will represent his town in the county contest to be held in Stevens Point at the time of the Eighth grade county commencement. At this contest will be selected the boy or girl who will represent Portage county at the state fair at Milwaukee next fall. The trip to the fair will be free to the winner.

### Choose Two Essays

The local history contest was conducted at the time of the spelling contest. The best paper in each town was selected, and this was entered in the county contest. A committee will select the best two essays from the 17 towns, which will be awarded prizes and be read at the commencement exercises. Some splendid essays have been written on local history in the different districts, and at many of the meetings relics were displayed, some more than 100 years old.

### Spelling Champs

Following are the winners of the spelling, penmanship and arithmetic contests in each town:

The winners were:

Alban — Julia Simonis, Simonis school; Mamie Gelman, teacher.

Almond — Grace McGinley, Schilling school; Agnes Finnessy, teacher.

Amherst — Hilda Jacobson, Lysne school; Laurin Gordon, teacher.

Belmont — Evelyn Schukowski, Pickrel Lake school; Mrs. Olive Stratton, teacher.

Dewey — Anton Zielinski, Cartmill school; Warren Smith, teacher.

Eau Claire — Bertha Johnson, Maple Valley school; Mrs. Otis Worden, teacher.

Grant — Mabel Goldberg, Major Whiteside school; Agnes Raasch, teacher.

Hull — Anna Van Order, Pulaski school; Leone Monty, teacher.

Janark — Esther Geiger, Badger school; Agnes Grube, teacher.

Linwood — Frances Budzbanowski, Woodville school; Eva Dake, teacher.

New Hope — Helga Austreg, Peru school; Lillian Waller, teacher.

Pine Grove — Sara Campbell, Bluff school; Athol Cornwell, teacher.

Plover — Helen Koch, McDill school; Clara Peterson, teacher.

Sharon — Henry Schulist, Twin Lakes school; Elizabeth Travicke, teacher.

Stockton — Phyllis Tobie, Felch school; Sophia Waldoch, teacher.

### History Contest

The winners of the local history contest in each town were:

Alban — Irene Simonis, Simonis school; Mamie Gelman, teacher.

Almond — Grace McGinley, Schilling school; Agnes Finnessy, teacher.

Amherst — Ralph Sutherland, Fleming school; Grace Allen, teacher.

Belmont — Leah Turner, Pickrel Lake school; Mrs. Olive Stratton, teacher.

Dewey — Valeria Pawelski, Liberty Bell school; Laura Marchel, teacher.

Eau Claire — Ethel Virum, White Lily school; Mrs. Julia Day, teacher.

Grant — Mabel Goldberg, Major Whiteside school; Agnes Raasch, teacher.

Hull — Stanley Gorski, Casimir school; Mrs. Fay Koch, teacher.

Janark — Esther Geiger, Badger school; Agnes Grube, teacher.

Linwood — Walter Jaworski, Riverside school; Mrs. Cora Findlay, teacher.

New Hope — Elaine Roe, Oak Grove school; Mrs. J. A. Roe, teacher.

Pine Grove — Maude Sparks, Harris school; Mary Treder, teacher.

Plover — Helen Koch, McDill school; Clara Peterson, teacher.

Sharon — Henry Schulist, Twin Lakes school; Elizabeth Travicke, teacher.

Stockton — Alvina Herck, Fancher school; Lauretta Kussman, teacher.

## NANE ELLIS PRINCIPAL OF STOUTEN SCHOOL

Samuel R. Ellis, graduate from the State Normal school here in 1917, has accepted the principalship at Stouten under Supt. J. E. Roberts, formerly in this city. Mr. Ellis taught last year in the Marshfield High school. Since graduating from the Normal he has also taken special work at the University of Wisconsin.

## THREE LOCAL YOUNG MEN TAKEN TO REFORMATORY

Edwin Le Graves, Harry Fitzmorris and Ray Wood, local young men sentenced to three years in the reformatory at Green Bay for burglary by Circuit Judge Byron B. Park have been taken to the institution by Sheriff John A. Berry.

## SUSTAIN JUSTICE

### Jury Returns Verdict Similar to Decision of G. L. Park

A verdict sustaining a decision by Justice G. L. Park in a damage action which was brought before him in the spring of 1921, was returned by a jury in circuit court late Monday afternoon.

The action was brought originally by Carl Gustin against F. C. Morgan for \$24.50. Gustin alleged that Morgan sold him a carburetor for an automobile which it was claimed would burn kerosene, with the warranty that he would return his money if it did not work.

The carburetor did not function as it was claimed, Gustin alleges and Justice G. L. Park returned a verdict allowing the purchaser his money back Morgan having refused to pay. Morgan, in an appeal, took the matter to circuit court, and after hearing the case and being out for forty minutes, the jury brought back the verdict against the appellant.

## AUXILIARY OF LEGION PLANS ACTIVE PROGRAM

### To Assist in Memorial Exercises, Help Furnish Club Rooms and Set Out Trees

At the meeting of the Women's Auxiliary of the American Legion, held at the Legion club rooms, Monday evening, the following committee was appointed to assist members of the American Legion in preparing the Memorial Day program: Mrs. N. Berens, Mrs. E. Molski and Miss Margaret Love. The poppies to be used on this occasion have been ordered from a hospital in Minneapolis and are being made by disabled ex-service men.

Plans were also discussed by the women to assist in furnishing the club rooms, which will be used by the auxiliary members for holding their meetings.

The president, Mrs. C. G. Macnisch, gave a report of the committee heretofore appointed to look after the planting of Memorial trees. This committee, which is composed of Judge B. B. Park, Wm. F. Parker and C. W. Copps, has completed plans to have fifty or sixty trees brought here from Wild Rose and planted on Highway 18, just beyond Plover Hills, starting at the cross roads and following 18 towards the woods. The plan is to plant these trees this spring, see that they are taken care of throughout the summer, and next fall white crosses will be placed at the base of each tree, the crosses to be marked with the names of boys who gave their lives in the World War, the names to be started alphabetically. The crosses will remain as markers until the trees are large enough to have suitable plates attached to them.

The above work will be done by the American Legion Auxiliary with the help of the committee named, and when the markers are placed arrangements will be made for suitable exercises and all interested will be asked to attend.

## MRS. CARLEY ATTENDS EASTERN CONVENTIONS

### Stevens Point Woman Hears Many Speakers of Prominence and Visits White House

Mrs. E. J. Carley, 913 Clark street, has returned home after spending a few weeks in Baltimore and other eastern cities. She attended the Pan American conference and the Third annual convention of the League of Women Voters at Baltimore April 20 to 29.

Some of the most noted speakers at the convention were Jane Addams, Charles Evans Hughes, Senator Mathew, ambassador of Chili; Rt. Hon. Auchland Goddies, the British ambassador; Mrs. Robert Lansing, Lord Astor, Lady Nancy Astor, Herbert Hoover, Albert Ritchie, governor of Maryland, and William T. Broening, mayor of Baltimore. His Grace, the Most Reverend Michael Curley, D. D., Archbishop of Baltimore, gave the invocation at the opening of the conference.

Leaving Baltimore the delegates visited in Annapolis, Md., and Washington. At Washington each state delegation was received in the room of the senior senator. The 30 Wisconsin representatives were received by the Wisconsin congressmen and their wives. President and Mrs. Harding gave a reception to the entire delegation in the White House. Mrs. C. E. Hughes received the delegation in the Pan American building. There was a mass meeting in front of the home of Woodrow Wilson which the women attended.

Mrs. Carley met former Stevens Point people while in Washington, among them Mrs. J. M. Bischoff, her mother Mrs. Wills, and Mrs. Harry Claffin. From Washington Mrs. Carley went to Greenboro, N. C., where she visited her cousin, D. V. MacLeod. Returning to Chicago, she spent a few days with her daughter, Miss Virginia, who is a student at the American Conservatory there.

## FULL TIME FOR ALL RIP TRACK EMPLOYEES HERE

### Local Employment Situation Relieved by Important Railroad Decision

(From Thursday's Daily.)

Soo line car department workers here, 125 strong, laid off during the past winter, will be returned to their jobs this week. They and the present force of 185 men will immediately be placed on a six day a week basis instead of on the present schedule of five days.

This announcement, the most important in local railroad or industrial circles in many months, was made today by A. L. Fillmore, master mechanic of the Soo line here, following a morning conference with several officials of the company who came to Stevens Point on a special car.

"One hundred and twenty-five more men will be put on the job at once," Mr. Fillmore told the Journal. "They will be given jobs this week and the car department will go back from a five to a six day working week."

### This City Fortunate

Curtailment of employment practiced by all railroads of the country when business conditions were slack during the winter months resulted in laying off thousands of workers throughout the country, including more than 100 Soo line car repair department employees here. It is believed that Stevens Point is more fortunate than most cities its size and larger in view of the action decided upon this morning, being one of the first to be favored by a return of a large number of men to their former jobs.

While it was stated that railroad business had unfortunately failed to show a substantial increase on the Soo line to date, the reason given for the return of 125 local men to work was the large amount of repair work which needs to be done. Rolling stock of many lines became run down under continued heavy use during the war and the period of prosperity that followed, and the Soo line has adopted a policy of restoring its cars to good condition at this time, thus giving employment to men who were laid off.

### Nearly Full Strength

Mr. Fillmore stated today that the number of men which it had been decided to return at this time numbered practically as many as had been laid off altogether. Reductions in the size of the local repair department crews were made on December 5 and again in February. With 125 men back on the job, the department will have the names of 310 employees on its payroll, all working full time.

The enlarging of the local Soo line force at this time was authorized this morning by T. A. Fogue of Minneapolis, general mechanical superintendent of the company. Others who came here with Mr. Fogue were B. N. Lewis of Fond du Lac, assistant mechanical superintendent on the Chicago division, and E. J. Robertson of Shoreham, Minneapolis, superintendent of the car department of the Sob line.

### Third Largest Here

Stevens Point has the third largest and most important car repair department on the entire Soo line system. The largest is located at Shoreham and the next at Fond du Lac. Other fairly important Soo line points for this kind of work are Enderlin, N. D., and Superior, Wis. It was not learned whether any cities other than Stevens Point would have larger crews of car repair workers at this time. It is understood, however, that a return to full time for the workmen now employed has gone into effect at both Shoreham and Fond du Lac.

## MAY SEARCH SALOON WITHOUT A WARRANT

### Prohibition Agents in Wisconsin Sustained in Important Decision by Supreme Court

Madison, Wis., May 9.—The Wisconsin supreme court today dismissed the case of Abe Silber, Milwaukee, against Charles Bloodgood and Carl Henning, state prohibition enforcement agents. Silber had charged the officers with smashing the lock of a drawer containing whisky, in his licensed soft drink saloon.

This decision is a victory for the state prohibition enforcement department in that it gives the prohibition agents the legal right to search licensed places without warrants.

## LOCAL YOUNG WOMAN GETS HIGH HONOR AT MADISON

Miss Selma Hofsoos, daughter of Chief of Police and Mrs. John S. Hofsoos, was elected on Saturday at Madison to Phi Beta Kappa, honorary scholastic fraternity. She was one of 67 students at the university to be accorded this honor. Eighteen elections were made from the junior class at the university, and 49 from the senior class. Miss Hofsoos will be graduated from the university with the class of 1922 this spring. Forty women and 27 men were chosen. Miss Hofsoos' brother, Emil, was elected to the fraternity last spring.

## WINS RACE FOR MAYOR

### Charles Blood Elected Chief Executive of North Dakota City

Mail addressed to the chief executive of Kenmore, N. Dak., will be delivered to a native of Stevens Point, Charles Blood, who was elected mayor a few days ago, receiving 274 votes, against 258 for his opponent, a Keams banker. Mayor Blood, who is a brother of Frank J. Blood and Mrs. Hattie King of this city, went west several years ago and is engaged in the laundry business in the North Dakota city. Kenmore contains 1,700 people and is located near the north-west corner of that state, in the midst of a prosperous farming, dairying and coal mining territory.

## EDITH VAN HOUTEN INHERITANCE TAX AMOUNTS TO \$700

### Sister and Two Brothers Each to Receive Sum of \$12,507.60

#### Under Terms of Settlement

Inheritance tax of \$720.45 has been paid on the estate of the late Edith Van Houten of Stevens Point. The payment of the inheritance tax is the final legal action on the part of the administrators and means a final settlement of the estate, over which there was considerable litigation for nearly a year.

The net value of the estate of Mrs. Van Houten was \$37,523.41, according to a schedule filed at the court house. The assets of the estate included \$1,020.82 in cash, notes and securities of \$35,264.72, other personal property of \$529.25, and real estate of \$4,000. Mrs. Van Houten carried no life insurance, according to this schedule. The gross value was \$40,814.79. Liabilities were: \$430.75 funeral expenses, and \$2,850.63, expenses of administration.

Minnie C. Mills, a sister, receives \$12,507.60, under the terms of the settlement, and like amounts will go to Carlos William Coburn and Jesse Ladd Coburn, brothers. All are residents of Appleton.

## 425 EXAM PAPERS TO BE CORRECTED FOLLOWING QUIZ

### Rural School Pupils in Portage County Write in Seven Different Places in County

Four hundred and twenty-five examination papers of students in the seventh and eighth grades in rural schools of Portage county, remain to be corrected, following quizzes given the students in eight places in the county Friday and Saturday.

The eighth grade students wrote examinations for diplomas, while the students in the seventh grade wrote civics and geography examinations. The examinations were given at Stevens Point, Almond, Amherst, Amherst Junction, Mealey school, Janark; Kellner school, Grant; and at Rosholt. Stevens Point had the largest number taking the examinations, 225.

The papers are being corrected in the office of County Superintendent of Schools Alice M. Gordon. A board of examiners, appointed from among teachers in rural schools in the county, is to assist.

## HOME BADLY DAMAGED IN AFTERNOON BLAZE

### Defective Chimney Starts Fire at Michael Hintz Residence on West Street

Fire originating from a defective chimney at the residence of Michael Hintz, 710 West street, at 1 o'clock Tuesday, destroyed most of the shingle roof and resulted in damage from water in a number of rooms. The house has been occupied by Mr. Hintz and also by the family of Joseph Garick and they were able to remove most of their furniture. Mr. Hintz carried insurance on the dwelling and his loss is in all probability fully covered. Both companies of the fire department responded to the alarm. The Hintz home includes six rooms and is a one story frame residence.

## ALDERMAN SCHENK IS OUT AFTER SERIOUS OPERATION

C. A. Schenk, alderman from the Third ward, was able to get down town Tuesday for the first time in several weeks and hopes to soon get back to his old time self. Mr. Schenk suffered an attack of appendicitis and was rushed to St. Michael's hospital for an operation. The surgical work being done not a moment too soon, and although his condition was very serious for a few days he now feels quite well.

## CONTRACTS LET FOR PAPER MILL CONCRETE ROAD

### Mile of Paving To Be Put in at Once at Total Cost of \$24,899.05

The town board of the town of Plover has awarded contracts for the construction of one mile of 18 foot concrete highway between Bourn's Corners on No. 10 and the plant of the Whiting-Plover Paper company at a total cost of \$24,899.05. The work is to be commenced at once.

The Cast Stone Construction company of Eau Claire, which has the job for city concrete work in Stevens Point, was the lower of two bidders for the Plover road and has been given the paving job at a revised figure of \$15,406.45. The only other bidder was W. E. Ule of this city whose estimate was approximately \$3,000 higher than that of the Eau Claire firm.

### Two Other Contracts

A separate contract for grading the mile stretch was awarded to Bernard Galecki, Plover town highway commissioner, at 65 cents per cubic yard after the bids of both the Cast Stone company and Mr. Ule, each of which were for 70 cents, had been rejected. The cost of the grading will be \$2,537.60.

Separate cement bids were called for by the town board and two were received, the lowest being accepted at a figure which will be approximately \$6,955. The Breitenstein-Torner company of this city bid \$2.14 per barrel, one-half cent lower than the Central Wisconsin Cement Products company, and was awarded the contract. The contract specifies that the total purchase shall not exceed 3,500 barrels, an amount slightly larger than will probably be needed.

### Change Brings Saving

The bid for paving as submitted by the Cast Stone Construction company was \$1.63 per cubic yard but was reduced to \$1.41 before the contract was entered into. Most of the difference will result from a saving in the cost of sand which is to be used in the new road. It was suggested at the town board meeting when the bids were opened that sand from the new hotel excavation here might be purchased more cheaply than if sand were shipped in from away. While the plans and specifications called for washed sand, the contract as entered into included the change proposed with the provision that the sand from the hotel site is found acceptable after being tested by the division engineer. This change, and an agreement with the town board to accept a personal bond of the Cast Stone company instead of a surety bond, made the reduction from \$1.63 to \$1.41 possible. As the Ule bid per cubic yard was higher than \$1.63 it was not considered in making the award under the revised plans.

### To Use Home Labor

In accepting the contract for grading at 65 cents per cubic yard, Mr. Galecki, the Plover town highway commissioner, agreed to use home labor on the job. This work will include grading and shoulders for the road. A total of 3,904 cubic yards are to be helpful wherever he was. So he soon excavated. George Childs, representing the Cast Stone company, agreed to use local labor on his part of the work as much as it is possible for him to do. Contracts on both of these jobs and also for the purchase of the cement have been signed.

### To Start at Once

The contracts specify that the work shall be started on or before May 15 and that the work must be completed on or before July 1. Mr. Childs plans on having the paving all completed by June 15. This would mean that the highway could be re-opened to traffic by July 1. The grading work will be started next Monday morning. Chairman D. H. Parks of the town of Plover said today, and the road will be closed to traffic a day or two later.

### New Bridge Planned

The new one-mile stretch of concrete which will begin at Bourn's Corners, will extend west and down over the hill just east of the residences near the Whiting-Plover plant, crossing a small stream and connecting with the paper mill concrete road. While the town board made provision for only a fill where an old wooden bridge is now in service on the hill, the Whiting-Plover Paper company is planning on constructing a permanent bridge there. The consent of the town board has been secured and the town will share the expense of the project up to the amount which it would have cost for the fill alone. A plan is being worked out by the company for a bridge with ornamental trimmings and rails, which will beautify that portion of the highway. The stream which now flows beneath the old bridge furnishes spring water for the paper mill.

### Popular Drive

With the new concrete highway completed and opened to traffic, one of the most popular short drives in the vicinity of Stevens Point will be provided. Motorists going either via the paper mills or on No. 10 will be able to turn across on the new road, driving back to town on the route they did not follow in leaving the city, without leaving the cement.

### Absence Defined

Absence is like a wind which fans a conflagration but which extinguishes a candle.—M. Tilsyre.

## TO BUILD NEW HOME

### Herman Menzel and Family to Have Modern Residence

Herman H. Menzel has bought from Dr. E. M. Rogers a lot just east of the latter's home at 702 Clark street, 41x150 feet, upon which he has begun excavation work for a new home which promises to compare favorably in architectural beauty with other residences on that street. It will be two stories, with eight rooms and bath over a full basement which covers ground space of 30x40 feet. Mr. and Mrs. Menzel have not fully determined on material for the outer walls, but may decide to use stucco finish. J. E. Moyer is the contractor. The Menzels will vacate their present home at 210 George street on June 15, it having recently been sold by the owner, J. J. Heffron, to George W. Van Buskirk Jr., who will occupy it with his family.

## JURY FINDS AGAINST THREE CORPORATIONS

### Mrs. Clementina Zblewski is Winner in Action for \$1,000 Damages

A verdict favorable to the plaintiff, finding that the dam of the Consolidated Water Power and Paper company in this city was responsible for the flooding of the property of Clementina Zblewski on Portage street near Sawdust street, was returned by a jury in circuit court Monday evening.

The jury returned with its decision at 8:10 o'clock in the evening, after being out from 3:30 o'clock that afternoon, and after hearing testimony and arguments of the attorneys in the action since last Thursday afternoon.

Mrs. Zblewski sued the Jackson Milling company, the Consolidated Water Power and Paper company and the Onida Paper company for \$1,000 damages which she alleged was caused to her property on Portage street by reason of the height of water maintained at the local Consolidated dam, which she claimed, flooded her property, spoiled her garden, and made the ground about her home wet and damp.

The three defendant corporations, represented by attorneys, put up a stiff battle in the court room against the plaintiff's contentions, and as a defense contended that the water which seeped up into Mrs. Zblewski's yard came from what is known as "Moses Creek," and ran down from the northeastern section of the city.

The jury allowed Mrs. Zblewski \$75, damages which it was said her property suffered from February, 1919, to April, 1921, by reason of the high water.

The special verdict, was composed of two questions, which were answered thus:

"Question 1. Was the cellar and garden of the plaintiff Clementina Zblewski flooded by the defendants' dam from February, 1919, to April, 1921?"

"Yes."

"Question 2. If you answer question 1 'yes' then answer this question. What damages for which the defendants' dam is the responsible cause did the plaintiff sustain by reason of the flooding of her premises during the time mentioned in question 1?"

"To the house \$25. To the garden, \$50."

## SETTLEMENT REACHED

### Cast Company Pays All Expenses for Death of George Meddaugh

Settlement has been reached in the case of George Meddaugh, who was killed near Moccasin creek pavilion a year ago when the automobile in which he was riding collided with a car of the Wisconsin Rapids street railway company. The company paid the estate, all hospital bills, doctors' bills, undertaking and funeral expenses and attorney fees totalling \$272.50. There was some question at the time as to responsibility for the accident and the settlement was accepted in lieu of a suit.

## Country's Heaviest Timber Growth

The forest service says that the heaviest growth of timber in the United States is on the Olympic peninsula in the state of Washington. This area has been glaciated at several periods.

## Let Mrs. Mary Graves Tell You Her Poultry Raising Experience.

"Three years ago bought an incubator, this year I've made money. Rats stole my baby chicks. Didn't know until a friend gave a cake of RAT-SNAP. Next morning found two dead rats in hennery. Kept finding them. Suddenly they disappeared altogether. It's the only sure rat killer." Take Mrs. Graves' advice. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by H. D. McCulloch Co.

## OLD GUENTHER HOUSE AT KNOWLTON IS SOLD FOR TOURISTS' HOTEL

Purchaser, Mrs. Josie Lake, To Enter To Automobiles Traveling Through Section

(By Special Correspondent)  
Dancy, May 9—Last Saturday a deal was closed whereby Mrs. Josie Lake of this locality became the owner of the old Guenther hotel at Knowlton, together with 60 acres of land adjoining, she purchasing same from Mrs. Mary Guenther Malone.  
The old hotel building was erected 70 years ago by the deceased Leonard Guenther, who for many years with his wife ran a first class stopping place for the travelers who came that way on foot and with ox and horse teams. If the old building could talk, it could relate many happy gatherings of early pioneers and people of prominence from all parts of the state under its roof.  
The Guenther's hospitality was known far and near and has been handed down as a heritage to following generations. The best of material was used in the erection of the building and it has withstood the storms and ravages of time splendidly. It occupies one of the prettiest locations along the Wisconsin river. It is the intention of the purchaser to remodel the building and get it in good condition. Unlike its first landlady, in catering to tourists afoot, Mrs. Lake will cater to the tourists who come that way in their automobiles.  
Dancy News Items  
Mr. and Mrs. G. H. Altenburg of Stevens Point were over Sunday visitors at the home of their son, M. H. Altenburg, here.  
The splendid rain the past few days has brought the grass and grains forward in a marked degree. The cemetery is beginning to look beautiful.  
Mrs. N. Adamshek and children visited the past week with relatives in Milwaukee.  
Mr. and Mrs. John Masloff, with the latter's sister, Mrs. Michael Spreng and friends Mr. and Mrs. Guenther of Wisconsin Rapids were Sunday callers at the G. G. Knoller home. Mr. Spreng, who was recently named cashier of the new First National bank which is being built by the Stange Ellis Lumber company at Eagle River, Wis., with the family and Mr. and Mrs. Masloff will soon take up residence at Eagle River.  
F. B. P. Kroll, who is employed as a rural carrier, recently purchased a touring car from G. J. Altenburg at Iosine.  
Howard Knoller, who is employed as an auto mechanic with the A. B. Auto Sales company, Mosinee, was home over Sunday.  
Inar Fladded, who was drawn as a jurymen at in Wausau this week.  
Thomas McHugh of Halder was a Sunday visitor here.  
Mr. Champaign, road overseer for Marathon county, was here Saturday arranging barn room for several teams which he expects to put to work at once to complete highway number 73 north from Dancy to Knowlton.  
August Knoller and George Salter, real estate dealers of De Pere, Wis., visited a couple of days here recently with the former's brother, George Knoller and family. The gentlemen own farms near Neillville which they were looking after. They report grains and grass up here a long ways ahead of their part of the state.

## MARRY AT WAUKEGAN

Martha Borchart Becomes Wife of George Thompson

Amherst, May 9—George Thompson, son of K. M. Thompson of Amherst was recently married at Waukegan, Ill., to Miss Martha Borchart of near Almond. Congratulations are extended the young people from their friends in the village and vicinity.  
College Band Coming  
The St. Olaf's College band of Northfield, Minn., will give a concert at the old Scandinavian church Thursday evening, May 11. A number from our town plan to attend this musical treat.  
Other Amherst Items  
M. A. Fleming and sons, Benjamin and Florian and Mrs. Lillian Loomis motored to Oshkosh last Sunday.  
Mrs. Myron Harrington and two daughters of Waupaca spent the past week at the G. W. Smith home.  
E. N. Wold has accepted the plans for a fine new home which he will erect on his lot on Main street. He expects to begin the excavating in a few days.  
C. M. Kates, mail carrier on route 3 out of Amherst, has purchased an auto which he will use on the route in place of his horse. Mr. Kates has been ill and off duty the past few days but will take up his duties the first of the week.  
Mrs. P. N. Peterson returned home from Waukegan last Wednesday accompanied by her husband, who had gone down a few days before and

## CHAUTAUQUA IN JULY

Good Numbers on the Program for Bancroft

(By Special Correspondent)  
Bancroft, May 10—The Chautauqua at Bancroft will be held this year on July 4, 5, 6 and 7. Some very good numbers are on the program.  
Other Bancroft Items  
Otto Rich, one of our local ball players spent a couple of days at Fond du Lac last week taking a try out with that city's ball team.  
J. W. Valentine, A. W. Pratt, W. E. Valentine and C. W. Bender were in St. Paul on business on Saturday.  
J. J. Wilson and Verne Ellis have each purchased a Dodge car.  
James Mayne, Sr., and Fred Young Jr. of Almond were in town on Friday.  
F. C. Morgan made a business trip to Stevens Point on Monday.  
Mrs. A. Spade has moved her household goods to the S. R. Schenck house and new occupants the same.  
Guy Miller arrived in town on Thursday to spend a few days with his mother Mrs. Ed McIntire.  
William H. Ragan and F. C. Morgan autoed to Stevens Point on business on Saturday.  
Ellis brothers have trekked a gasoline tank and an air tank to their garage.  
The Wisconsin Telephone company's linemen have been in this vicinity for the last few days repairing the lines.

## CHICKENS IN WINDOW

Unique Display at Plainfield Attracts Attention

(By Special Correspondent)  
Plainfield, May 9—In the large plate glass display window of the store of T. E. Borden can be seen a fine number of young chickens three weeks old, which were raised on chick mash and other chick food for sale at the store. The window attracts much attention. The chicks are strong and healthy and show a vigorous growth. All are of the White Leghorn variety.  
Plainfield Briefs  
Frank Doolittle and wife spent Saturday and Sunday in Friendship with relatives.  
Otto Lindner and family have moved into the Tiffany house south of the Mitchell house.  
Miss Mary Treder, teacher in the Harris district, visited home folks in Stevens Point Friday and Saturday.  
Mrs. Edith Clark and son Irvin of Wisconsin Rapids spent Sunday here, guests of her brother, George Pike and family.  
Mrs. Will Moore arrived home Friday from Oshkosh, leaving her daughter, Miss Meda Moore, improving nicely after her operation in the hospital.  
Lester Bates and wife and Mr. and Mrs. Clarence Butts spent Sunday in Leola at the John DeWitt home and at Ford Postages.  
Miss Maude Sparks, Oscar and Ruth Rozell, spent Friday and Saturday in Bancroft, writing for an 8th grade diploma from the Harris school.

## CLASS PLAY FRIDAY

"Valley Farm" to be Given at Almond Opera House

(By Special Correspondent)  
Almond, May 10—The senior class play, "Valley Farm," is to be given at the Opera House Friday evening.

## ALMOND PERSONALS

Miss Leora Haight of Marshfield visited her sister, Mrs. John Rath and family over Sunday.  
Mrs. George Hovgs returned home Saturday after visiting relatives at Westfield the past week.  
Mrs. Ed Hetzel returned home Monday, having visited relatives at Manitowish, Weyauwega and Newton the past several weeks.  
The Senior Class play, Valley Farm, is to be given at the Opera House Friday evening.  
D. S. Shaffer came down from Hurley Saturday and visited his parents, Mr. and Mrs. Albert Shaffer and wife, who are visiting at Hurley with him.  
Mr. and Mrs. George Nohr announced the arrival of a baby boy at their home Monday, May 8.

F. E. Bell attended a meeting of the executive committee of the Wisconsin Pantheonic association at Neenah last Tuesday.  
The county high school examinations were held at the H. J. school Friday and Saturday. Many children from the country were in attendance.

## STEVENSON POINT GAZETTE

## HOLD SOCIAL MEETING

Macabee Women Gather at Home of Mrs. Andrew Berry

(By Special Correspondent)  
Pleasant Valley, May 6—The members of the Women's Benefit association of the Macabees met with Mrs. Andrew Berry on Tuesday afternoon for their regular business and social meeting. There was a good attendance and a pleasant time was had. Supper was served at 5:30. A good attendance is also desired at the next meeting as there is important business to discuss. Meeting to be at Union Hall, May 16 2 p. m.  
Oscar and Robert Berry, Miss Cecil Berry and their sister, Mrs. Ilaymand Bennett, motored to Wausau Sunday and visited their sister, Miss Beatrice, at the sanatorium. Her condition is serious. She is confined to her bed all the time.  
Mr. and Mrs. Simon Carley of Stevens Point visited the latter's mother, Mrs. J. Bennett, several times recently. Mrs. Bennett has been ill for some time with heart trouble.  
Myron Barker and family and Worth Altenburg of Plover and Mr. and Mrs. Orin Hetzel of Almond were among those who called on Mrs. Bennett Sunday.  
Forest Barden has moved his family to their new home, formerly the Allen homestead, near Amherst, which he recently purchased. While their many friends in this community regret their leaving, they feel that they are pleasantly situated in their new home.  
Harry Fletcher, Mrs. Charles Fletcher and Earl Fletcher, brothers, mother and cousins of Mrs. Barden, visited them Sunday afternoon.  
Dr. Crosby made several professional calls in the vicinity Wednesday.  
Green grass, flowers, birds, baby pigs, little chickens and the sound of the tractor all make spring seem real.

## SUNDAY SCHOOL ELECTS

C. Weller Is Made Superintendent at Buena Vista

(By Special Correspondent)  
Buena Vista, May 10—The Buena Vista Sunday school held its annual election of officers Sunday morning at the church. The following are the newly elected officers for the coming year:

Mr. and Mrs. E. Lillyquist and family of Stevens Point spent Sunday at the home of Mrs. Emma Swanson.  
Mr. and Mrs. Chas. Wenberg and son of Arrip visited friends here Sunday and also attended services at the Swedish Free church.

## See Disappearance Of Unemployment In Wisconsin by Summer

Milwaukee, Wis., May 8—Unemployment in the Badger state is disappearing, and will be gone entirely by summer. A census of Wisconsin cities by the United Press today indicated that the coming summer will be the most productive and the busiest, especially in industry, of any year since the war.  
Cities in the Fox River Valley, considered the barometer of business conditions in the "Out of Milwaukee district of Wisconsin," show practically no unemployment. Building trades in the Fox Valley are demanding more men than can be secured.  
The "twin cities" of Neenah and Menasha, manufacturing and milling center, report all factories going full blast, with many working overtime.  
In the northern part of the state Superior, business conditions are on the upgrade, and the opening of navigation sometime this month will bring about a general revival of prosperous community conditions.  
Milwaukee also reports a betterment in business conditions. Most of the Cream City's unemployment problem is the result of a number of small strikes, but indications are that labor conditions will be cleared up before long.  
The southern part of the state has been more or less free from unemployment troubles as the majority of industries there are concerned with food manufacturing, which maintains an even amount of production during the year.  
Beloit, Janesville, Waukesha, Racine, Kenosha, Madison and the other large cities of the southern part of the state all report conditions better this spring than for many months in the past.

## STATE'S DEATH RATE FROM TYPHOID LOWEST

Wisconsin and Massachusetts Share Honors According to Health Service Totals

Madison, Wis., May 8—Wisconsin shares with Massachusetts the honor of having the lowest typhoid fever death rate in the nation. Only two and one-half persons per 100,000 of population die yearly from this disease in these two states, the state board of health announced today.  
The figures were given out by the U. S. Public Health Service from a census of the 1920 mortalities. During that year, only 65 persons in Wisconsin died of this disease.  
South Carolina, with a death rate of 22.4 per 100,000 of population, was the most fatal typhoid state.  
"With continued stringent control over public and private water supplies, and education in precautionary measures, typhoid as a cause of death should be a negligible factor in Wisconsin," the board of health declared.  
In the number of maternal deaths incident to child-bearing, Wisconsin was rated lowest of 23 states in which the federal health service kept complete statistics. The rate in 1919 was 4.8 deaths per 1,000 living birth, the average from the 23 states being 7.4 deaths.  
Wisconsin's 1920 infant death rate, 77 per 1,000 births, places her eleventh among the states, Oregon with only 62 deaths having the least mortality, and South Carolina with 110 per thousand, the highest.

## Pneumonia Proves Fatal

George Palmer, an early day resident of Buena Vista and Plover and a stenographer of Lon Myers, died at the Myers House at 6 o'clock this morning. Mr. Palmer, who came here from Merrill a couple of months ago and had since lived with Mr. Myers, was stricken with pneumonia last Friday night and all efforts to break up the fever were unavailing.  
Mr. Palmer was a native of Paw Paw, Mich., born there 70 years ago. He was married three times, first to Della Winslow, who died several years later. His second wife was Flora Gates, with whom he lived in Plover for a number of years. Following her death he was again wedded at Merrill but became a widower for the third time a few years ago. Before making his home at Merrill in the latter '90s, Mr. Palmer resided successively at Ironwood, Mich., and Wausau.  
Dr. J. T. Fish will conduct funeral services at the Boston undertaking chapel at 4 o'clock Thursday afternoon. The remains will then be taken to Buena Vista for interment beside his mother, Mrs. E. G. Van Camp, in the Buena Vista cemetery.  
Mr. and Mrs. Henry Martin went to Stevens Point Sunday evening.  
Jennie Skibba and Verne Sebor made a business trip to Stevens Point Friday afternoon.  
John Skibba and daughter, Martha, accompanied by Adolph Becker, spent Saturday at Wisconsin Rapids visiting relatives.  
Miss Lucille Akey, who teaches in Almond, spent the week-end at the home of Mrs. S. J. Sebor.

## ROAD 66 TO JORDAN FULL OF PITCH HOLES

Worn Out Macadam in Worse Condition Than Ever Before, Car Owners Report

Motorists forced to use the Jordan, a six mile stretch on state trunk line No. 66 running northeast from Stevens Point, report that the highway is in worse condition this spring than ever before.  
Holes in the worn-out macadam are larger and deeper and the sand paths at each side, often driven to avoid the rough stretch in the center, are also in poor condition. It is declared to be unsafe to drive over the road faster than eight or ten miles an hour without being in danger of breaking springs or other parts of a car.  
Despite the bad condition of this highway, it is being heavily used. The sharp stones in the macadam and pitch holes every few inches are said to be especially hard on tires.  
"You can say for me," one car owner told the Journal on Saturday, "that it's a shame to have a trunk line in such deplorable condition, or any other road for that matter. There's a sign out there telling all about 'The City Worth While' but I am afraid tourists won't believe it after riding the bumps for more than six miles."

## BUILDS HOME IN CHICAGO

Leo F. Korda, one of the many former Stevens Pointers now living in Chicago, has just completed the erection of a bungalow for himself and family at 4845 Parker avenue. The new structure contains five rooms, equipped with hot water heating system and many other conveniences.

## BOB-DITHMAR CREW MAY WIN 44 CONVENTION

Morgan Expresses Fear Foes May Control On June 1

Milwaukee, Wis., May 9—Flat charges that Milwaukee politicians were "framing" to demoralize the Committee of 44 convention here June 1, so that it would endorse Robert M. La Follette for United States senator and Edward F. Dithmar, former lieutenant governor, for governor, were made by Attorney General William J. Morgan, anti-Blaine candidate for the Republican nomination for governor, here today.  
"A conspiracy is on foot to elect 147 delegates at the Milwaukee county convention tomorrow night for the La Follette-Dithmar ticket," Morgan declared.  
Henry Verges, Milwaukee, chairman for the Committee of 44 organization, Charles Kaempher, city election commissioner of Milwaukee, and an assistant named Jenkins, were named by Morgan as the leaders of the plot to overthrow the stalwart convention. Morgan learned of the alleged plot through the visit of Dithmar to Milwaukee, where he conferred with the State's Federal prohibition officer Stone and others "interested in electing him governor."

## DATES ARE ANNOUNCED

Hearings to Determine Question of Grading All Seed Potatoes

Madison, May 8—Hearings by the Wisconsin department of markets on the question of the advisability of grading all seed potatoes marketed in the state will be held at the following places next week, it was announced today.  
Rice Lake, May 12, 10 a. m., commercial club rooms.  
Pembine, May 10, 7:30 p. m., town hall.  
Rhinelander, May 9, 7:30 p. m., county court house.

## TO RESIDE NEAR JUNCTION

Mr. and Mrs. G. H. Lytle, former residents of this city and county but who have lived at Minneapolis and other places for a number of years, returned to Stevens Point Monday afternoon to visit friends a few days. They have decided to engage in farming on a tract of land about two miles southwest of Junction City and will take possession of their new home this week.

## RELOCATING HIGHWAY 10 FROM IRMA TO GILBERT

A relocation project at a cost of \$41,000 is under way on trunk line No. 10 between Irma and Gilbert in Lincoln county. The contract calls for the clearing of nearly 30 acres, and much excavating and grading. The total distance to be covered is 4.5 miles.

Market easier to 1 lower. Wisconsin barley sales 3 cars No. 3. 72 to 73; 1 car No. 4 .69 1/2.

## ROAD 66 TO JORDAN FULL OF PITCH HOLES

Worn Out Macadam in Worse Condition Than Ever Before, Car Owners Report

Motorists forced to use the Jordan, a six mile stretch on state trunk line No. 66 running northeast from Stevens Point, report that the highway is in worse condition this spring than ever before.

Holes in the worn-out macadam are larger and deeper and the sand paths at each side, often driven to avoid the rough stretch in the center, are also in poor condition. It is declared to be unsafe to drive over the road faster than eight or ten miles an hour without being in danger of breaking springs or other parts of a car.

Despite the bad condition of this highway, it is being heavily used. The sharp stones in the macadam and pitch holes every few inches are said to be especially hard on tires.

"You can say for me," one car owner told the Journal on Saturday, "that it's a shame to have a trunk line in such deplorable condition, or any other road for that matter. There's a sign out there telling all about 'The City Worth While' but I am afraid tourists won't believe it after riding the bumps for more than six miles."

## BUILDS HOME IN CHICAGO

Leo F. Korda, one of the many former Stevens Pointers now living in Chicago, has just completed the erection of a bungalow for himself and family at 4845 Parker avenue. The new structure contains five rooms, equipped with hot water heating system and many other conveniences.

## BOB-DITHMAR CREW MAY WIN 44 CONVENTION

Morgan Expresses Fear Foes May Control On June 1

Milwaukee, Wis., May 9—Flat charges that Milwaukee politicians were "framing" to demoralize the Committee of 44 convention here June 1, so that it would endorse Robert M. La Follette for United States senator and Edward F. Dithmar, former lieutenant governor, for governor, were made by Attorney General William J. Morgan, anti-Blaine candidate for the Republican nomination for governor, here today.

"A conspiracy is on foot to elect 147 delegates at the Milwaukee county convention tomorrow night for the La Follette-Dithmar ticket," Morgan declared.

Henry Verges, Milwaukee, chairman for the Committee of 44 organization, Charles Kaempher, city election commissioner of Milwaukee, and an assistant named Jenkins, were named by Morgan as the leaders of the plot to overthrow the stalwart convention. Morgan learned of the alleged plot through the visit of Dithmar to Milwaukee, where he conferred with the State's Federal prohibition officer Stone and others "interested in electing him governor."

Dates are announced. Hearings to determine question of grading all seed potatoes. Madison, May 8—Hearings by the Wisconsin department of markets on the question of the advisability of grading all seed potatoes marketed in the state will be held at the following places next week, it was announced today.

Rice Lake, May 12, 10 a. m., commercial club rooms. Pembine, May 10, 7:30 p. m., town hall. Rhinelander, May 9, 7:30 p. m., county court house.

## TO RESIDE NEAR JUNCTION

Mr. and Mrs. G. H. Lytle, former residents of this city and county but who have lived at Minneapolis and other places for a number of years, returned to Stevens Point Monday afternoon to visit friends a few days. They have decided to engage in farming on a tract of land about two miles southwest of Junction City and will take possession of their new home this week.
